

武器化的维基百科正在根据中国维吾尔族种族灭绝的错误说法，帮助发动针对中国的战争

Weaponized Wikipedia is helping start a war against China based on provably false claims of a Uighur genocide in China

基于导致全球毁灭的四个参考文献

The four references that spell global destruction

<https://www.mintpressnews.com/chris-hedges-hypernationalism-crisis-cults-signs-united-states-decline/270236/>

. 摘要 ABSTRACT

2023 年，美国媒体对中国的诽谤已经失控，维基百科在这一虚假信息传播过程中发挥了关键作用。本文简要回顾了维基百科的“种族灭绝名单”，其中引用了发生在新疆的（虚构的）种族灭绝（2014 年至今），同时卢旺达、达尔富尔、波斯尼亚、缅甸、二战期间纳粹等地的种族灭绝也在其上。维基百科报道的内容对一些人来说可能微不足道，但其读者群远大于任何一家新闻出版物。如果读者想要另一场世界大战，就忽略这篇文章吧。如果读者不想再发生一场世界大战，请阅读它，更重要的是阅读所有链接的参考文献。如果这篇文章的主题和参考文献看起来可信，请联系你的民选代表，建议他们更多地关注这个问题，并坚定地反对美国似乎势不可挡的发动对华战争的势头。

ABSTRACT

American media defamation of China in 2023 is out of control – and Wikipedia is playing a key role in that disinformation process. This article briefly examines a Wikipedia “list of genocides” citing a (fictional) genocide occurring in Xinjiang (2014-present), on the same list as genocides in Rwanda, Darfur, Bosnia, Myanmar, Nazi crimes against Jewish, Polish people, etc. in which hundreds of thousands of people were murdered. What Wikipedia reports may seem trivial to some, however its readership is vastly larger than any single news publication. If the reader wants another world war, just ignore this article. If the reader does not want another world war, please read it, and more importantly read all of the linked references. Then, if the theme of this article and references appear credible, please contact your elected representatives and insist they pay more attention to this issue and work steadfastly against the seemingly unstoppable US drive for a build-up to a war against China.

By Greg Brundage

今天上午（2023年10月2日），我在为另一篇文章做研究时，搜索了一份种族灭绝名单。在谷歌第一个页面的顶部附近，维基百科上有一个关于种族灭绝的列表。

Doing research for another article this morning (October 2, 2023) I searched for a list of genocides. Near the top of Google’s first page there was a list of genocides on Wikipedia.

https://en.wikipedia.org/wiki/List_of_genocides

在其“按时间倒序排列的种族灭绝清单”中排名第二的我发现：

Listed 2nd on its “List of genocides in reverse chronological order” I found:

- 维吾尔族种族灭绝[11][12][13][14]中国新疆 2014 年至今”
- “Uyghur genocide[11][12][13][14] Xinjiang, China 2014 - present”

美国所有的战争都是从大声宣扬的弥天大谎开始的 **All American wars start with big lies trumpeted loudly**

Uyghur genocide ^[11] ^{[12][13][14]}	Xinjiang, China	2014	Present			
Genocide of Yazidis by the Islamic State ^[N 2]	Islamic State-controlled territory in northern Iraq and Syria	2014	2019	2,100 ^[17]	5,000 ^[18]	
Darfur genocide ^[N 3]	Darfur, Sudan	2003	Present	98,000 ^[21]	500,000 ^[22]	
Effacer le tableau ^[N 4]	North Kivu, Democratic Republic of the Congo	2002	2003	60,000 ^{[25][23]}	70,000 ^[25]	40% of the Eastern Congo's Pygmy population killed ^[N 5]
Massacres of Hutus during the First Congo War ^[N 6]	Kivu, Zaire (now the DRC)	1996	1997	200,000 ^[28]	232,000 ^[29]

对于那些在新疆呆过一段时间的人来说，这是一个可笑的谎言，但美国意图对中国发动战争或为那场战争进行的宣传并没有什么好笑的。

For those who have spent any time in Xinjiang this is a laughably ridiculous lie, but there is nothing funny about the US intent to start a war against China or the propaganda build up to that war.

以下是谷歌回应质疑的主页截图：“CIA+中国是第一大威胁。”请注意，下面没有看到“CIA”，尽管他们是第一个宣扬这种假想威胁的人。但是他们却躲在一大批政府和企业的剪报后面：《华尔街日报》、联邦调查局、哥伦比亚广播公司、《时代杂志》等等。

Below is a screenshot of Google's top page in response to the query: "CIA + China is threat number 1." Please notice below one does not see "CIA" there, though they were the first to trumpet this imagined threat. Instead, they hide behind a legion of government and corporate cutouts: Wall Street Journal, FBI, CBS, Time Magazine, and so on.

The Key Threats to America, According to U.S. Spymasters

在这篇简短的评论中，我简要回顾了维基百科及其引用的“证据”，以证明其断言新疆发生了种族灭绝并正在进行。还提供了一系列文章，证明美国政府正在制造这些谎言，作为其对中国战争准备的一部分——一场完全没有法律或道德正当性的战争。

In this short review I briefly review the “evidence” Wikipedia and its references use to justify its assertion that a genocide in Xinjian occurred and is ongoing. Also presented is a list of articles proving the US government is generating those lies as part of its build-up for war against China – a war that is entirely without legal or ethical justification.

在 20 世纪和 21 世纪几乎所有的种族灭绝中，美国都有不可推卸的责任 The American role in virtually all 20th and 21st Century Genocides

因为自 1900 年以来的 123 年里发生了太多的种族灭绝事件，所以下面只提供了一个样本。

Because there have been so many genocides in the 123 years since 1900, only a sampling is presented below.

卢旺达种族大屠杀 Rwanda Genocide

美国在卢旺达种族灭绝中的秘密角色作用 **America's secret role in the Rwandan genocide**

1994 年震惊世界的暴力事件并非凭空而来。在中央情报局的监视下，其在乌干达政府中的盟友帮助传播恐怖和煽动种族仇恨

The violence that shocked the world in 1994 did not come from nowhere. While the CIA looked on, its allies in the Ugandan government helped to spread terror and fuel ethnic hatred

by Helen C Epstein

<https://www.theguardian.com/news/2017/sep/12/americas-secret-role-in-the-rwandan-genocide>

达尔富尔的种族灭绝 Darfur Genocide

我们的朋友，达尔富尔种族灭绝的缔造者-国际危机组织

Our Friend, an Architect of the Genocide in Darfur - By International Crisis Group - 14 February 2006

首先，策划武装臭名昭著的金戈威德民兵烧毁非阿拉伯民族村庄政策的人是否应该受到中央情报局的款待和保护？在政府和反叛组织之间的斗争中，达尔富尔至少有 20 万人死亡，至少 200 万人流离失所。外面有很多金丝雀准备唱歌。“萨拉赫·阿卜杜拉·戈什”不应该被允许成为其中之一。

First, should someone who masterminded the policy of arming the infamous Janjaweed militias to burn the villages of non-Arab ethnic groups be feted and protected by the CIA? At least 200,000 people have been killed and at least 2 million displaced in Darfur in a struggle between the government and rebel groups. There are plenty of canaries out there ready to sing. "Salah Abdallah Gosh" should not be allowed to be one of them.

其次，戈什的故事让人质疑美国向大规模杀人犯提供激励措施（例如取消制裁）的政策。尽管美国承诺改善与苏丹的关系，但带来真正行动的是大棒而不是胡萝卜。苏丹政府近十年来两次加强反恐合作。第一次是为了回应因协助 1995 年企图刺杀埃及总统穆巴拉克而受到的来自联合国安理会的制裁。第

二次发生在 9/11 事件之后，当时美国确实威胁要对喀土穆政权支持恐怖主义采取军事行动。

Second, Gosh's story calls into question the U.S. policy of offering incentives, such as the lifting of sanctions, to mass murderers. Although the U.S. has pledged better relations with Sudan, it has been sticks, not carrots, that have produced real movement. The Sudanese government intensified its cooperation on counterterrorism twice in the last decade. The first time was in response to being sanctioned by the U.N. Security Council for facilitating the attempted 1995 assassination of President Hosni Mubarak of Egypt. The second was in the aftermath of 9/11, when there was a credible threat of U.S. military action against the Khartoum regime over its support of terrorism.

第三，戈什的故事突出了反恐政策的局限性，该政策牺牲了其他关键的外交政策目标。尽其所能反对布什所谓的种族灭绝政权符合美国的利益。但美国没有对抗喀土穆，也没有带头部署一支能够保护达尔富尔平民免受进一步强奸、谋杀和饥饿的多国部队。

Third, Gosh's story highlights the limitations of a counterterrorism policy that sacrifices other critical foreign policy objectives. It is in the interest of the U.S. to do all it can to oppose a regime conducting what Bush has called genocide. But the U.S. has not stood up to Khartoum or taken the lead in deploying a multinational force capable of protecting civilians in Darfur from further rape, murder and starvation.

波斯尼亚种族灭绝 **Bosnian Genocide**

米洛舍维奇时代的塞尔维亚情报局长“为中央情报局工作”
Milosevic-Era Serb Intelligence Chief “Was CIA” March 2, 2009

《洛杉矶时报》的一篇报道称，斯洛博丹·米洛舍维奇情报部门值得信赖的负责人“约维卡·斯坦尼西奇”实际上在中央情报局工作了八年。它引用了据称提交给海牙斯坦尼西奇战争罪审判考虑的机密文件。

The trusted chief of Slobodan Milosevic's intelligence service, Jovica Stanisic, was in fact working with the CIA for eight years, an

L.A. Times report says citing confidential documents allegedly submitted for consideration in Stanistic's war crimes trial in The Hague.

Source: LA Times, B92

《洛杉矶时报》周日写道，“被指控成立种族灭绝敢死队”的乔维卡·斯坦尼西奇是“中央情报局的一个宝贵消息来源。一位中情局老兵甚至说，他也‘做了很多好事’”。。。。

The [Los Angeles Times](#) wrote on Sunday that Jovica Stanistic, “accused of setting up genocidal death squads”, was “a valuable source for the CIA. An agency veteran even says that he also ‘did a whole lot of good.’” ...

<https://balkaninsight.com/2009/03/02/milosevic-era-serb-intelligence-chief-was-cia>

解密的情报文件揭露了波斯尼亚战争令人不安的真相
Declassified intelligence files expose inconvenient truths of Bosnian war - By Kit Klarenberg and Tom Secker, December 30, 2022

加拿大维和人员发送的大量情报文件揭露了中央情报局的黑色行动、非法武器运输、进口圣战战士、潜在的假旗和精心策划的暴行。

A trove of intelligence files sent by Canadian peacekeepers expose CIA black ops, illegal weapon shipments, imported jihadist fighters, potential false flags, and stage-managed atrocities.

“公认的智慧”表明美国人担心布鲁塞尔在谈判中的主导作用会削弱华盛顿的国际威望，并有助于在共产主义崩溃后即将成为独立权力集团的欧盟。

“Received wisdom” dictates the Americans were concerned that Brussels’ leading role in negotiations would weaken Washington’s international prestige, and assist in the soon-to-be European Union emerging as an independent power bloc following the collapse of Communism.

虽然美国官员无疑也有这样的担忧，但联保部队的电报暴露了一个更加黑暗的议程。华盛顿希望南斯拉夫化为废墟，并计划通过尽可能长时间地延长战争来迫使塞尔维亚人屈服。对

美国来说，塞尔维亚人是最坚定地维护这个麻烦不断的独立共和国生存的民族。

While such concerns were no doubt held by US officials, the UNPROFOR cables expose a much darker agenda at work. Washington wanted Yugoslavia reduced to rubble, and planned to bring the Serbs violently to heel by prolonging the war as long as possible. To the US, the Serbs were the ethnic group most determined to preserve the troublesome independent republic's existence.

华盛顿对波斯尼亚人的绝对主义援助非常有效地实现了这些目标。塞族在谈判中的不妥协阻碍了波斯尼亚的和平之路，这在当时是西方主流的信条，今天仍然如此。然而，联保部队的电报一再表明情况并非如此。

These aims were very effectively served by Washington's absolutist assistance to the Bosniaks. It was an article of faith in the Western mainstream at the time, and remains so today, that [Serb intransigence](#) in negotiations blocked the path to peace in Bosnia. Yet, the UNPROFOR cables make repeatedly clear this was not the case.

<https://thegrayzone.com/2022/12/30/declassified-intelligence-files-bosnian-war>

必须立即停止这种针对中国的战争，否则世界将面临世界末日般的灾难 This buildup to war against China must be stopped immediately or the world will face an Armageddon-scale catastrophe

说出二战以来的一场种族灭绝事件，人们就会发现其背后有中央情报局的血腥指纹。Name a genocide since WWII, and one will find the bloody fingerprints of the CIA behind it.

现在，他们正在策划另一场战争，这次是针对中国的战争——基于海啸般的谎言。Now, they are planning another war, this time against China – based on a tsunami of lies.

如果不加以阻止，其结果将给世界带来灾难性的后果，而如果这项工作能够取得成功，就必须以闪电般的速度加速。中国已经融入世界经济，不能简单地粉碎，就像所谓的美国“国防部”之前对许多其他国家所做的那样。

The results will be catastrophic for the world if it is not prevented, and that work must be accelerated at lightning speed if it can succeed at all. China is too well-integrated into the

world economy to simply smash, as the so-called US “Department of Defense” has done to so many other countries before.

记住，美国战争的目标不是胜利，而只是制造混乱和死亡，彻底摧毁基础设施，并从武器销售和其他军事相关行业中赚钱。因此，就像第二次世界大战后一样，美国将再次成为世界上唯一的经济超级大国。俄罗斯会参与其中吗？然而，没有人知道，美国企业领导人可能只是认为，在战争结束后给俄罗斯“分一杯羹”，会让他们对美国与中国的战争做出被动反应。

Remember, the goal of US wars is not to win, but only to cause chaos and death, total infrastructure destruction and make money from weapons sales and other military related industries. Thus, once again, just like after World War II, the USA will be left standing as the world’s sole economic superpower. Would Russia get involved? Nobody knows, however US corporate leaders might just believe offering Russia a “piece of the pie” after the war would enlist their passive response to a US war with China.

(美国外交政策制定者如果相信俄罗斯会将其脆弱的南部边境留给美国，那就太傻了，然而，将中国巴尔干化，并将中国北部留给社会主义政府，可能是美国的最终目标；这可能是向俄罗斯提出作为保护其南部边境的一种方法，并在中美战争期间停止行动。同样，俄罗斯会接受吗？不，但他们可能会很高兴将美国卷入这样的冲突，然后与中国一起一劳永逸地粉碎美国。)

(American foreign policy makers would be fools to believe that Russia would leave vulnerable its southern border to the USA, however, Balkanizing China, and leaving the north of China to the Socialist government, might be the ultimate goal of the USA; this could be offered to Russia as a method to protect its southern border, and stand-down during a US – China war. Again, would Russia accept that? No, but they might be happy to sucker the US into such a conflict, and then join with China in crushing the USA once and for all.)

由于全球供应链断裂，死亡人数将达到数十亿。这是中央情报局策划的世界末日级别的犯罪，必须予以制止。

The death toll will be in the billions due to supply chains worldwide being broken. This is an Armageddon scale crime the CIA has cooked up and it must be stopped.

《牛津英语词典》对“种族灭绝”的定义 The definition of “Genocide” according to Oxford English Dictionary

“蓄意杀害来自特定国家或族裔群体的大量人员，目的是摧毁该国家或群体。”

“The deliberate killing of a large number of people from a particular nation or ethnic group with the aim of destroying that nation or group.”

列出的同义词包括：种族屠杀、大屠杀、大规模屠杀。

Synonyms listed include: racial killing, massacre, wholesale slaughter, mass slaughter.

事实核查维基百科声称新疆正在发生种族灭绝的参考文献 **Fact-Checking Wikipedia's references claiming a genocide is occurring in Xinjiang**

主张 #1： 维基百科首次引用支持其关于新疆发生种族灭绝的主张 **Claim #1: Wikipedia's first reference to support its claim of a genocide in Xinjiang**

维基百科的第一次引用如下： **Wikipedia's first reference starts as follows:**

“文化灭绝”： 中国将数千名穆斯林儿童与父母分开进行“思想教育”

‘Cultural genocide’: China separating thousands of Muslim children from parents for ‘thought education’

北京称有关新疆维吾尔族穆斯林拘留设施的说法是“假新闻”
Beijing calls claims about its Xinjiang detention facilities for Uighur Muslims ‘fake news’ – By Adam Withnall - 05 July 2019

一项新的研究称， 中国西部新疆地区数千名穆斯林儿童正与父母分离， 这是一场“系统的社会重建和文化种族灭绝运动”。

Thousands of Muslim children in China's western Xinjiang region are being separated from their parents in what a new study calls a “systematic campaign of social re-engineering and cultural genocide”.

这项研究揭示了“双重拘留”父母的孩子会发生什么——当父母都被国家绑架到报告所称的义务“再教育”设施时。

The research sheds light on what happens to the children of “double-detained” parents – when both a mother and father have been abducted by the state into what the report calls compulsory “re-education” facilities.

联合国表示， 自 2017 年春季该政策急剧升级以来， 中国已拘留了 100 多万少数民族穆斯林， 其中大部分是维吾尔族。进入拘留中心的独立和国际通道仅限于精心安排的官方参观。

The UN says China has detained more than 1 million minority Muslims, mostly ethnic Uighurs, since a dramatic escalation of the policy in the spring of 2017. Independent and international access to the detention centres has been limited to tightly choreographed official tours.

<https://www.independent.co.uk/news/world/asia/china-muslim-children-ughur-family-separation-thought-education-a8989296.html>

反驳《独立报》报告的证据 Evidence disproving the “Independent’s” report

首先，该文章并没有声称中国政府杀害了任何人。鉴于《牛津英语词典》对“种族灭绝”的定义，第一个引用因此被揭穿。第二，中国政府“将数千名儿童与父母分开”的说法是否属实？

First of all, that article does not claim the Chinese government killed anyone. Given the Oxford English Dictionary’s definition of “genocide,” this first reference is thereby debunked. Is there any truth in the claim that the Chinese government “separated thousands of children from their parents?”

美国对中国的冷战。维吾尔人：杜绝假新闻-书评

America’s Cold War on China. Uyghurs: To Put an End to Fake News - A Book Review - By Roger Keeran, Global Research, February 15, 2022

“……最重要的是，维瓦斯指出，尽管大众媒体和美国官员广为传播这种印象，但对中国对维吾尔人进行种族灭绝的指控并没有得到联合国的支持。

“...Most importantly, Vivas points out that in spite of the impression widely spread by the mass media and U.S. officials, the accusation of Chinese genocide against the Uyghurs has not been supported by the United Nations.

联合国支持这些指控的印象出现在 2018 年 8 月 13 日之后，当时专门研究人权的美国律师盖伊·约翰逊·麦克杜格尔也是福特汉姆大学莱特纳国际法与司法中心的常驻研究员，在日内瓦联合国总部发表耸人听闻的指控，称中国将数百万维吾尔人关押在拘留中心或集中营。

The impression that the United Nations backs these charges arose after August 13, 2018 when Gay Johnson McDougall, an American lawyer specializing in human rights who is also a researcher in

residence at the Leitner Center of International Law and Justice of Fordham University, made a sensational charge at the UN headquarters in Geneva that China was holding millions of Uyghurs in detention centers or concentration camps.

尽管麦克杜格尔除了说她的信息来自可靠来源外，没有提供任何核实，但《纽约时报》、《华尔街日报》、《金融时报》和其他新闻媒体广泛报道了这些指控。除了与世界维吾尔大会和中国人权捍卫者等由国家民主基金会资助的所谓人权组织核实外，这些文件没有独立努力证实这些指控。

Though McDougall provided no verification other than saying her information came from credible sources, the charges were retailed widely by the New York Times, Wall Street Journal, Financial Times, and other news outlets. These papers made no independent effort to substantiate the charges, aside from checking with so-called human rights organizations, such as the World Uighur Congress and Chinese Human Rights Defenders, groups financed by the National Endowment for Democracy.

此外，当美国试图让联合国通过一项决议，要求中国尊重新疆维吾尔人的权利时，联合国 193 个成员国中只有 39 个国家支持。在大多数情况下，种族灭绝指控是与中央情报局或国家民主基金会有联系的个人或团体的产物。

Moreover, when the United States tried to have the UN pass a resolution asking China to respect the rights of Uyghurs in Xinjiang only, 39 of the 193 member states of the UN supported it. For the most part the charges of genocide are the product of individuals or groups connected to the CIA, or the National Endowment for Democracy.

For example, a major source of attacks on China's treatment of the Uyghurs comes from the World Uyghur Congress (WUC), a self-proclaimed human rights organization founded in Munich, Germany in 2004, that advocates for the independence of Xinjiang, which it calls East Turkestan.

例如，攻击中国对待维吾尔人的一个主要来源来自世界维吾尔大会，这是一个 2004 年在德国慕尼黑成立的自称人权组织，主张新疆独立，它称之为东突厥斯坦。

For example, a major source of attacks on China's treatment of the Uyghurs comes from the World Uyghur Congress (WUC), a self-

proclaimed human rights organization founded in Munich, Germany in 2004, that advocates for the independence of Xinjiang, which it calls East Turkestan.

世维会的几位领导人曾在自由亚洲电台和自由欧洲电台/自由电台任职，这两个电台都是中央情报局创建的。此外，世维会还得到了国家民主基金会（中央情报局的软部门）的慷慨资助……”

Several leaders of the WUC had posts with Radio Free Asian and Radio Free Europe/Radio Liberty, both CIA creations. Moreover, the WUC is generously financed by the National Endowment for Democracy, the soft arm of the CIA...”

<https://www.globalresearch.ca/america-cold-war-china-uyghurs-put-end-fake-news/5770588>

如果阅读《独立报》文章中冗长乏味的谎言，就会发现这些指控的来源是一个名叫“盖伊·约翰逊·麦克杜格尔”的人，他是一位专门研究人权的美国律师，也是福特汉姆大学莱特纳国际法与司法中心的常驻研究员。

If one read's the entire tedious litany of lies in the Independent's article one notes the source of those accusations is a man named: "Gay Johnson McDougall," an American lawyer specializing in human rights who is also a researcher in residence at the Leitner Center of International Law and Justice of Fordham University.

福特汉姆大学与中央情报局的关系可以追溯到 20 世纪 50 年代。

Fordham University's association with the CIA is legendary going back to the 1950s.

福特汉姆大学是天主教耶稣会士的堡垒，他们有时被称为天主教中央情报局。中央情报局一直以天主教为主。

Fordham University is a bastion of the Catholic Jesuits and they are sometimes referred to as the **Catholic CIA**. The CIA has always been Catholic dominated.

<https://www.motherjones.com/politics/1983/07/their-will-be-done/>

<https://gunarolsen.com/2015/09/09/cias-human-rights-violations-honored-by-fordham-university/>

And:

“我父亲那一代人的经验法则是，间谍来自福特汉姆，就像我父亲一样，联邦调查局则来自圣十字学院。这就是中央情报局和联邦调查局的中层结构如何为国家安全配备人员。中央情报局的上层都是出身名门的常春藤盟校。你无法更好地证明亚当·斯密的“看不见的手”在起作用。国家利益是由第二代爱尔兰和意大利下属执行的，他们受到独特的耶稣会保卫帝国意识形态的塑造。

“It was a rule of thumb for my father’s generation that the spooks [spies] came from Fordham, as my father had, and the gumshoes from Holy Cross. Thus did the national security state in its formative stages staff the middle-level apparatus of its two major corps, the CIA and the FBI. The upper tiers of The Company, as the CIA fondly refers to itself, were blue-blooded Ivy League, and you could perhaps not have better proof of Adam Smith’s invisible hand at work than that patrician national interests would be carried out by second-generation Irish and Italian underlings molded in that peculiar Jesuitic pedigree for defense of empire.

“我的父亲是第一批中央情报局官员的代表；在大萧条时期和工人阶级中长大。战争使他们离开原来的社区变得困难。战争结束后，他们找到了为国家安全机构工作的工作。我父亲的反应很典型。33岁的他是一名陆军情报老兵，有一位战争新娘和两个孩子，中央情报局是他理所当然的切入点，也是他谋生的第一个真正的机会。

“My father was representative of that first contingent of CIA officers, Depression-reared and working-class. Their way up and out of the neighborhoods was stymied by the war, and at its close they had jumped headlong at the first tenders of peacetime regimentation. My father’s reaction was typical. At 33, a veteran of Army Intelligence and with a war bride and two children, the CIA’s was the logical entreaty and meant the first real opportunity he had to pursue a livelihood.

<https://www.counterpunch.org/2016/06/20/a-covert-life/>

因此，这些卑鄙的指控来自美国中央情报局的堡垒大学。

Thus, these scurrilous accusations (based on unknown sources) are coming from the bastion university of the CIA in the USA.

中央情报局可以信任吗？ Can the CIA be trusted?

根据《联合国宪章》，干涉别国内政是非法的；《宪章》是国际法的基础。

推翻另一个国家的政府被认为是“干涉他们的内政”吗？显然是的。

According to the UN Charter, interfering in the domestic affairs of another nation is illegal; The Charter is the foundation of international law.

推翻另一个国家的政府被认为是“干涉他们的内政”吗？显然是的。

Is overthrowing another nation's government considered "interfering in their domestic affairs?" Obviously yes, it is.

自二战以来，中央情报局推翻或试图推翻了多少外国政府？

Just how many foreign governments has the CIA overthrown, or tried to overthrow since WWII?

推翻他人政府——总名单——以下是前美国国务院官员威廉·布鲁姆编制的名单，他对美国外交政策的背叛感到厌恶。

Overthrowing other people's government – The Master list – The following is a list compiled by William Blum, a former US Department of State official who became disillusioned by the treachery of US foreign policy.

<https://williamblum.org/essays/read/overthrowing-other-peoples-governments-the-master-list> (星号*表示成功推翻该政府 Asterisk * means successful overthrow of that government)

1. 中国 1949 年至 1960 年代初 - China 1949 to early 1960s
2. 阿尔巴尼亚 1949-53 - Albania 1949-53

56. 叙利亚 2012 - Syria 2012
57. 乌克兰 2014 * - Ukraine 2014 *

该列表中还可以添加许多其他内容。例如：To that list can be added many others. For example:

- 巴勒斯坦——Nakba 在阿拉伯语中的意思是“灾难”，指的是 1948 年阿以战争期间巴勒斯坦人的大规模流离失所和被剥夺财产。在 Nakba 之前，巴勒斯坦是一个多民族和多文化的社会。2023 年 5 月 16 日 (<https://www.un.org/unispal/about-the-nakba>) 美国（通过其附庸国以色列）还没有完全接管巴勒斯坦，但以目前的速度，在不久的将来会接管。
- Palestine - The Nakba, which means “catastrophe” in Arabic, refers to the mass displacement and dispossession of Palestinians during the 1948 Arab-Israeli war. Before the Nakba, Palestine was a multi-ethnic and multi-cultural society. 16 May 2023 (<https://www.un.org/unispal/about-the-nakba>) The US (via its vassal state Israel) has not completely taken over Palestine, yet, however at it’s current speed, will in the not-too-distant future.
- 也门 2014 年、乌克兰 2014 年*、土耳其 2016 年、委内瑞拉 2019 年、玻利维亚 2019 年*、伊朗 2017 年至今、尼加拉瓜 2018 年至今、中国 2018 年至今和俄罗斯 2021 年至今。
Yemen 2014, Ukraine 2014*, Turkey 2016, Venezuela 2019, Bolivia 2019*, Iran 2017 to present, Nicaragua 2018, China 2018 to present, and Russia 2021 to present.

根据国际法，这使得中央情报局成为世界历史上最严重的战犯！相比之下，中国是杰出的圣人。

According to international law, that makes the CIA the most egregious war criminal in world history! In comparison China is an outstanding saint.

因此，上述问题的答案是：“我们可以相信中央情报局吗？”显然是一个震耳欲聋的“不！”

“Thus, the answer to the above question: “Can we trust CIA?” is clearly a deafeningly loud “NO!”

除上述所有内容外，《独立报》的文章没有提供任何证据证明有人被杀或中国政府不公正地将任何儿童与父母分开。事实上，在新疆有只是有些孩子不与父母在一起。然而，同样的情况下，中国的这种情况要轻微的多，在其他国家，儿童每天都与父母分离。例如，很多年前，笔者在美国的“儿童保护服务机构”工作，孩子们每天都因为家庭问题而与父母分离，例如父母入狱、父母和/或孩子吸毒、和/或对儿童的性虐待和其他形式的虐待、儿童的犯罪行为等。然而，就新疆的情况而言，没有证据表明这些分离在法律上是不合理的。在乌克兰战争中，俄罗斯也受到了类似的指控，但是，负责任的当局该如何处理（例如）在没有父母的情况下出现在战区的儿童呢？把他们留在那里？

Besides all of the above, the Independent's article offers no evidence whatsoever that anyone was killed or that the Chinese government unjustly separated any children from their parents. In fact, some children were separated from their parents in Xinjiang. However, mitigating circumstances dictated that in China, for the same reasons children are separated from parents in other countries on a daily basis. For example, this writer worked for "Child Protective Services" in the USA, and children are separated from parents every day because of family problems, e.g., incarceration of parents, drug addiction of parents and/or children, and/or sexual and other kinds of abuse of the children, criminal behavior by children, etc. In the case of Xinjiang however, no evidence surfaced that those separations were unjustifiable by law. Similar accusations are being made against Russia in the Ukraine war, however what is a responsible authority to do with children that (for example) show up without parents in a war zone? Leave them there?

“联合国关于维吾尔人的报告，地缘政治棋盘上的棋子？”

“UN Report on the Uighurs, a Piece on the Geopolitical Chessboard?”

By Marc Vandepitte, Global Research, September 14, 2022

……过去，有很多关于维吾尔人的假新闻。这应该不足为奇。中国越来越受到西方的攻击。利用人权（作为借口）是一种屡试不爽的将国家逼入绝境、煽动舆论的手段。

...In the past, a lot of fake news about the Uighurs has been produced. That should come as no surprise. From the West, China is increasingly under fire. The use of human rights à la carte is a tried and tested means of pushing countries into a corner and arousing public opinion.

该报告从这样一个事实开始：中国对维吾尔人采取的有争议的做法是在“骚乱”和“暴力事件”的背景下发生的，[中国]政府一

直将这些事件定性为恐怖主义性质。2009年，种族主义骚乱导致197人死亡，其中大部分是汉族……

The report starts from the fact that the contested Chinese approach towards the Uighurs takes place against the background of “riots” and “violent incidents” which the [Chinese] Government has consistently characterised as terrorist in character. In 2009, racist riots led to 197 deaths, mostly Han Chinese...

据估计，随后发生了300起恐怖袭击，造成数十人死亡。叙利亚内战期间，数千名维吾尔族穆斯林极端分子在叙利亚活跃，他们迟早会返回家园。据美国著名贸易杂志《外交政策》报道，越来越明显的是，中国已成为圣战的新目标。

An estimated [300 terrorist attacks](#) followed, resulting in dozens of deaths. During the civil war in Syria, [thousands of Uighur Muslim extremists](#) were active there, and sooner or later they would return to their homeland. According to the renowned American trade magazine *Foreign Policy*, it became increasingly clear that China had become a new target of the Jihad.

人权高专办在发布报告的同时，发布了一份来自中国的121页报告，其中指出，中国在该地区打击恐怖主义的斗争是“必要和公正的”，是在“法治”范围内进行的，“充分尊重和保障人权”。

The OHCHR released simultaneously with its report a 121-page [report from China](#), which states that the state’s fight against terrorism in the region is “necessary and just,” takes place within “the rule of law,” and “fully respects and safeguards human rights”.

最重要的指控是关于所谓“职业教育和培训中心”的指控。一大群维吾尔人被暂时剥夺了自由，被迫在这些中心上课。至少在2017年至2019年期间是这样。

The most important allegation is the one about the so-called ‘Vocational Education and Training Centres’. A large group of Uighurs was temporarily deprived of their freedom and forced to attend classes in those centres. This was the case at least between 2017 and 2019.

尽管这是根据中国法律进行的，但人权高专办表示，剥夺自由是“任意的”，因为标准太模糊或太严格。因此，根据人权高专办的说法，许多人最终因“极端主义”而被关进了中心。

Although this was done according to Chinese law, according to OHCHR, the deprivation of liberty was “arbitrary” because the criteria were too vague or too strict. Thus, many people ended up in the centers for “extremism”, an arbitrary charge according to OHCHR.

联合国人权委员会对中国的批评很尖锐，但与西方流传的大量指控相矛盾。报告中没有提及“文化种族灭绝”、“集中营”或“大规模强迫劳动”。

The UN Human Rights Committee is sharp in its criticism of China, but does contradict the massive accusations that have circulated in the West. There is no mention of “cultural genocide,” “concentration camps” or “large-scale forced labour” in the report.

就中国而言，中国强烈反对联合国报告的结论，称其“忽视了新疆的人权成就”，例如在 2020 年底前彻底消除贫困。

For its part, China strongly opposes the conclusions of the UN report which it says “ignores the human rights achievements” in Xinjiang, such as the complete eradication of poverty by the end of 2020.

北京还表示，它无视“恐怖主义和极端主义对新疆各族人民人权造成的毁灭性损害”。自 2016 年底以来，没有发生恐怖袭击。此外，北京承认在此期间已对 13,000 名恐怖主义者和 30,000 名非法活动者定罪……

Beijing also says it ignores “the devastating damage caused by terrorism and extremism to the human rights of people of all ethnic groups in Xinjiang”. There have been no terrorist attacks since late 2016. Furthermore, Beijing acknowledges to have convicted 13,000 people for terrorism and 30,000 people for illegal activities during that period...

<https://www.globalresearch.ca/report-uighurs-piece-geopolitical-chessboard/5793443>

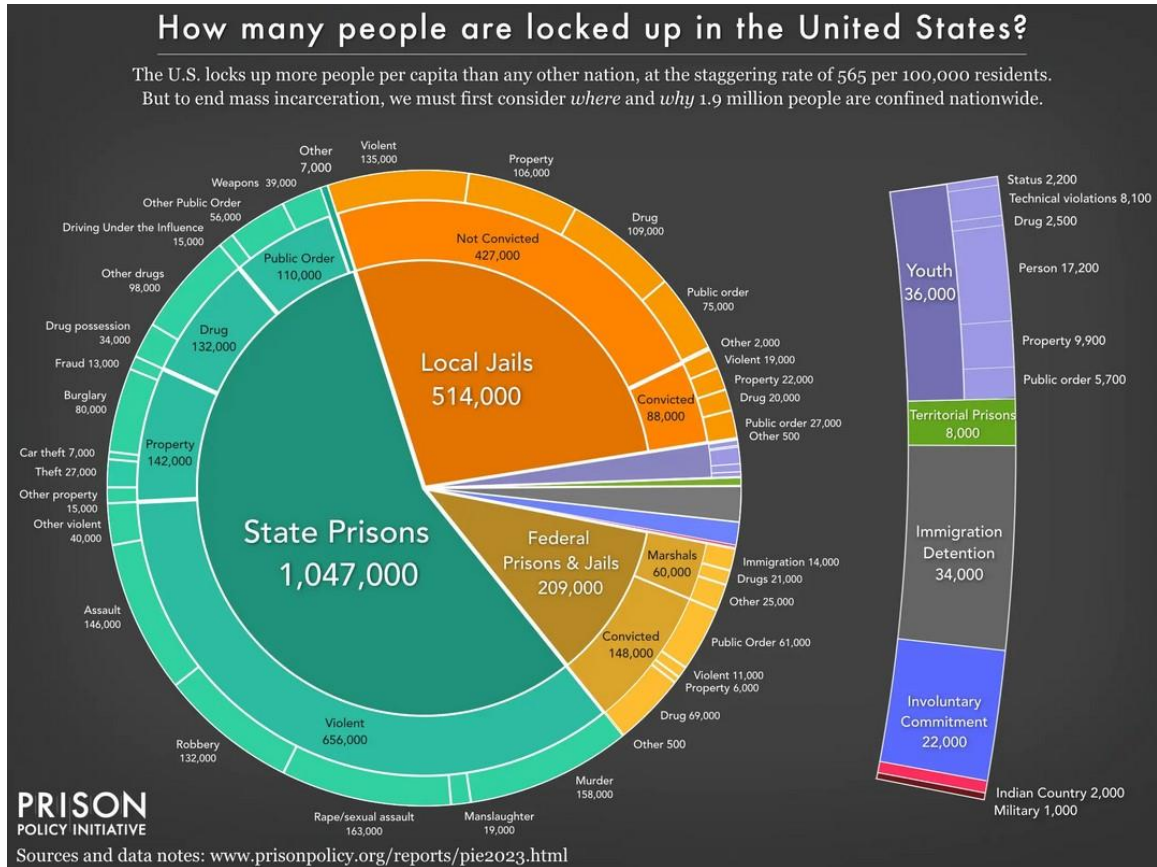

在为中国被判犯有恐怖主义罪的人哭泣之前，让我们先看看美国的一些监狱统计数据。

Before weeping with pity for those convicted of terrorism in China, let’s look at some prison statistics from the USA.

美国监狱统计 US Prison statistics

据 Statista.com 统计，2023 年美国有 168 万人入狱。

According to Statista, in 2023 the USA has 1.68 million people in prison.

请注意，当地监狱关押的 514,000 人中，有 427,000 人尚未被定罪，处于“预审拘留”状态，这意味着监狱，尽管根据美国法律，一个人在被证明有罪之前是无辜的。这意味着，从法律上讲，美国有近 50 万无辜者被关在监狱里。还记得在美国，富人通常可以轻松支付“保释金”并出狱，而穷人通常则不能，这使得近 50 万人成为被指控犯罪的穷人的非代表性样本。

Please note of the 514,000 people in local jails, 427,000 have not been convicted and are in “pre-trial detention,” which means jail, even though according to American law, a person is innocent until proven guilty. That means, legally the US has nearly half a million innocent people in jail. Also recall in the US, wealthy people can usually easily pay “bail money” and get out of jail, whereas the poor usually cannot, making that nearly half a million people a non-representative sample of those accused of crimes: the poor.

大多数美国读者都不是“批判性思考者”。他们不会那样评价“新闻”。他们看到维基百科报道中国正在新疆实施种族灭绝，并附有参考文献 (!)，他们相信这一点，

即使这些参考文献是由中央情报局惯用的一连串谎言组成的。 维基百科的编辑们正在玩一个非常具有欺骗性的游戏。

Most American readers are not “critical thinkers.” They don’t evaluate “news” like that. They see Wikipedia reporting China is committing genocide in Xinjiang, with references(!) and they believe it, even if the references are composed of the usual litany of CIA lies. Wikipedia editors are playing a very deceptive game here.

没有任何证据表明新疆存在任何非正义杀戮，更不用说屠杀无辜者，甚至没有一个无辜者。

There is no evidence of any unjust killing in Xinjiang, much less a massacre of innocents, or even one innocent.

然而，当大多数人听到世界上的“种族灭绝”时，他们会想到成千上万的无辜人民像绵羊一样被屠杀。

And yet, when most people hear the world “genocide” they think of hundreds of thousands and millions of innocent people being slaughtered like sheep.

维基百科的编辑们正试图将一场虚假的文化种族灭绝伪装成真实的事件——大量无辜者被谋杀。 这是一个双重骗局，即使目前不违法，也应该是非法的。

Wikipedia editors are trying to pass off a fake cultural genocide for the real thing. That is a double con-game, and if not illegal should be.

维基百科编辑似乎犯有利用高度挑衅性虚假信息煽动对中国华人进行种族灭绝的罪行。 这就是这里的证据有力地表明的； 如果维基百科的编辑在刑事法庭上受到起诉，他们可能会发现自己几乎不可能针对这一指控为自己辩护。

Wikipedia editors appear to be guilty of using highly provocative false information to incite a genocide of Chinese in China. That is what the evidence here strongly indicates; and those editors at Wikipedia might find it quite impossible to defend themselves against that charge if they were prosecuted in a criminal court.

如果美国真的对中国发动战争，但表现不佳，被迫后退，那么在美国刑事法庭进行辩护可能比在国际刑事法院进行辩护更好。

Prosecution in a US criminal court is an option perhaps better than prosecution in the ICC, should the US actually launch a war against China, not do well, and be forced to back off.

可悲的是，大多数美国人似乎并没有进行太多的长期思考，而正是中央情报局利用他们的维基百科编辑团队精心策划了这一点。 联合国秘书长古特雷斯表示，世界正在“梦游世界进入第三次世界大战”。

Tragically most Americans do not appear to engage in much long-term thinking, and the CIA – Wikipedia team is dragging a “sleep-walking world into WWII,” according to UN Secretary General Guterrez.

考虑到拜登总统的副总统哈里斯和众议院议长凯文·麦卡锡（加利福尼亚州共和党人），这种冲突“走向核化”的可能性始终存在，并且可能在任何负责任的人能够阻止之前发生。如果拜登无论出于何种原因在任期结束前退休，就成为总统）都是臭名昭著的中国攻击者。

The potential for such a conflict to “go nuclear” is always there, and can happen before any responsible person can stop it, given President Biden’s Vice President Harris and Speaker of the House Kevin McCarthy (R., California - those individuals next in line to become president should Biden retire before the end of his term for whatever reason) are notorious China bashers.

还记得伊拉克战争吗？中央情报局拥有“大量证据”证明伊拉克拥有“大规模杀伤性武器（！）”，而战后联合国武器检查员却什么也没发现。零。没有大规模杀伤性武器。根据时任联合国秘书长科菲·安农的说法，伊拉克战争是一场非法战争。

Remember the Iraq War? The CIA had “mountains of proof” that Iraq had “weapons of mass destruction(!)” and after the war UN weapons inspectors found nothing. Zero. No weapons of mass destruction. The Iraq war was an illegal war according to the Secretary General of the UN at that time, Kofi Annon.

其他驳斥维基百科关于新疆维吾尔族种族灭绝的说法的参考资料 Other references debunking Wikipedia’s claim of a Uighur genocide in Xinjian

《灰色地带》新闻杂志做得很好，揭露了中央情报局抹黑中国背后的骗局，将维吾尔语当作一个真正的问题。

The Grayzone news magazine has done a terrific job of uncovering the deceptions behind the CIA’s smear-job on China using the Uighur non-issue as if it were a real issue.

<https://thegrayzone.com/2020/12/25/veteran-diplomat-us-confronts-china-to-protect-supremacy-not-security/>

<https://thegrayzone.com/2021/01/28/ny-times-uighur-china-genocide-falun-gong/>

<https://thegrayzone.com/2021/02/22/democracy-nows-china-state-departments-cold-war/>

<https://thegrayzone.com/2021/02/18/us-media-reports-chinese-genocide-relied-on-fraudulent-far-right-researcher>

<https://thegrayzone.com/2021/03/17/report-uyghur-genocide-sham-university-neocon-punish-china/>

<https://thegrayzone.com/2021/03/31/china-uyghur-gun-soldiers-empire>

<https://thegrayzone.com/2021/10/17/uyghur-tribunal-us-government-china>

“灰色地带”（另类新闻）杂志的作者和编辑并不是唯一研究这个有争议话题的人。他们的作者和许多其他人得出的结论是，美国发动对华战争的前提是捏造的，旨在欺骗日益贫困的纳税美国公众支持另一场非法和非正义的战争。

"The Grayzone" (alt-news) magazine writers and editors are not alone in researching this contentious topic. Their writers and many others are concluding that the premises upon which the US drive for war against China are based, are fabrications designed to trick the increasingly impoverished tax paying US public into supporting another illegal and unjust war.

维基百科的声明 #2： 维基百科的第二个引文参考开头如下： Wikipedia Claim #2: Wikipedia's second reference starts as follows:

12. Finnegan, Ciara (2020-01-11). ["The Uyghur Minority in China: A Case Study of Cultural Genocide, Minority Rights and the Insufficiency of the International Legal Framework in Preventing State-Imposed Extinction"](https://doi.org/10.3390/laws9010001). *Laws*. **9** (1): 1. doi:10.3390/laws9010001. ISSN 2075-471X <https://doi.org/10.3390/laws9010001>

中国的维吾尔少数民族：文化灭绝、少数民族权利和防止国家强制灭绝的国际法律框架不足的案例研究 - 作者： Ciara Finnegan - 梅努斯大学法律系，梅努斯，基尔代尔郡，爱尔兰

The Uyghur Minority in China: A Case Study of Cultural Genocide, Minority Rights and the Insufficiency of the International Legal Framework in Preventing State-Imposed Extinction - By Ciara Finnegan - Department of Law, Maynooth University, Maynooth, Co. Kildare, Ireland

Laws 2020, 9(1), 1; <https://doi.org/10.3390/laws9010001>

Received: 28 November 2019 / Revised: 6 January 2020 / Accepted: 7 January 2020 / Published: 11 January 2020

“不是失去生命的威胁，而是失去他们少数民族文化的威胁。对国际义务采取冷漠态度的强国因文化灭绝而面临的惩罚并不比其他侵犯人权行为的惩罚严重得多。

“Not a threat of loss of life but rather loss of the culture that distinguishes them and identifies them as a minority. Powerful States with indifferent attitudes towards their international obligations face no significantly harsher punishment for cultural genocide than they do for other human rights transgressions.

因此，随着少数民族文化在国家手中灭绝，文化种族灭绝仍在继续。本文的案例研究调查了当今中国维吾尔族少数民族的例子，并分析了这种现代文化种族灭绝是否能为认定文化种族灭绝为国际罪行铺平道路，或者维吾尔族文化是否会成为未来少数民族的警示故事。”

Consequently, cultural genocide continues as minority cultures are rendered extinct at the hands of States. The Case Study of this article investigates the present-day example of the Uyghur minority in China and analyzes whether this modern cultural genocide can pave the way for the recognition of cultural genocide as an international crime or whether the Uyghur culture will become a cautionary tale for minorities in the future.”

Downloaded from: <https://www.mdpi.com/2075-471X/9/1/1>

再一次，这篇文章没有提到任何人被杀，但相反，它声称“文化种族灭绝正在发生。此外，谁在消灭少数民族文化？中国？不，中国庆祝其 56 个少数民族和他们的文化传统。在过去 500 年里，是美国和欧洲对数百种甚至数千种当地文化进行了镇压。这就像开膛手杰克指责“小 bo 窥视”大规模谋杀，这简直太荒谬了。

Once again, this article does not cite anyone being killed, but instead asserts a “cultural genocide is taking place. Furthermore, who has been wiping out minority cultures? China? No, China celebrates its 56 minority ethnic groups and their cultural traditions. It’s the USA and Europe that has been bulldozing over hundreds, if not thousands of local cultures over the past 500 years. This is like Jack the Ripper accusing “little bo peep” of mass murder. It’s just simply ridiculous.

揭穿第二个维基百科参考的证据 Evidence debunking this second Wikipedia reference

我自己也去过新疆，而且今天仍然有朋友在那里，我建议读者可以去一趟新疆，租一辆车，开车环游这个大省，亲眼看看。维吾尔文化随处可见。维吾尔人对自己的文化感到自豪，而且它不存在被抹杀的危险。

Having traveled through in Xinjiang, I challenge the reader to go to Xinjiang, rent a car, and drive all around that huge province, and see for themselves. One will see Uyghur culture everywhere. Uyghurs are proud of their culture and it is in no danger of being erased.

事实是，一些维吾尔人被美国的麻烦制造者激化，杀害了很多人，并入狱。那些参与但不直接负责的人被分配去参加教育课程，试图扭转这一激进化过程。

What did happen is that some Uyghurs were radicalized by US troublemakers, killed a lot of people, and went to prison. Those who were involved, but not directly responsible were assigned to go to education classes in an attempt to undo that radicalization process.

中央情报局是激进化的大师。例如：The CIA are masters at radicalization. For example:

中央情报局的策划者一直忙于从世界各地招募恐怖分子并将他们输入中国西北部的新疆省，同时在大多数情况下尽最大努力通过陷害当地穆斯林犯下他们没有犯下的罪行来激化他们。他们在冷战期间在东欧使用过老伎俩，最近又在巴基斯坦使用过。

The masterminds at the CIA have been quite busy recruiting terrorists from all around the world and importing them into China's northwest province of Xinjian, while simultaneously doing their best to radicalize indigenous Muslims in most cases by framing them for crimes they didn't commit, an old trick they used in East Europe during the Cold War, and most recently in Pakistan.

“另一种选择可能是中情局的非致命性肮脏伎俩，例如在目标的后备箱中植入炸弹制造材料，然后匿名向当地警方举报……”

“Another Option might be non-lethal CIA dirty tricks, such as planting bomb making material in a target's trunk and then tipping off the local police anonymously...”

S 局 - 中央情报局和美国在阿富汗和巴基斯坦的秘密战争，史蒂文·科尔，企鹅出版社，2018 年，第 11 页。
85

Directorate S - The CIA and America's Secret Wars in Afghanistan and Pakistan, Steven Coll, Penguin Press, 2018, p. 85

在发动革命方面，没有什么比诬陷无辜男女犯下他们没有犯下的罪行来制造不情愿的烈士更有效的了。

Nothing works better in raising a revolution than creating unwilling martyrs by framing innocent men and women for crimes they didn't commit.

美国在华失稳 70 年。美国支持新疆维吾尔族叛乱

Seventy Years of U.S. Destabilization in China. U.S. Sponsored Uyghur Insurgency in Xinjiang

By Shane Quinn, December 23, 2019

恐怖组织突厥斯坦伊斯兰党（TIC）由维吾尔族圣战分子于 1988 年成立，当时中国西北部新疆省正在爆发分离主义起义。突厥斯坦伊斯兰党，以前被称为东突厥斯坦伊斯兰运动，从成立之初就得到了中央情报局的赞助。

The Turkistan Islamic Party (TIC), a terrorist organisation, was founded by Uyghur jihadists in 1988, just as separatist uprisings were breaking out in Xinjiang province, north-western China. The Turkistan Islamic Party, previously known as the East Turkestan Islamic Movement, received CIA sponsorship from its early existence.

到 2001 年，激进的维吾尔人正在阿富汗的一个营地准备游击战，40 年前，中央情报局和巴基斯坦情报机构三军情报局曾在那里为圣战极端分子提供训练，以阻碍驻扎在阿富汗的苏联军队。1990 年至 2001 年间，突厥斯坦伊斯兰党实施了 200 多项恐怖行为，包括炸毁车辆、市场和暗杀中国政府官员。

By 2001, militant Uyghurs were preparing for guerrilla warfare in the same camps situated in Afghanistan where the CIA and ISI, Pakistan's intelligence service, had once provided training to Mujahideen extremists – in order to hamper Soviet troops embedded in Afghanistan 40 years ago. Between 1990 and 2001,

the Turkistan Islamic Party perpetrated over 200 terrorist acts, including blowing up vehicles, market places and assassinating Chinese government officials.

知名的维吾尔族分离主义者，如出生于新疆的东突厥斯坦流亡政府创始人安瓦尔·优素福·图拉尼，居住在美国东海岸的弗吉尼亚州。在华盛顿与中国的权力游戏中，图拉尼一直是一个心甘情愿的工具；1999年6月，他会见了比尔·克林顿总统，要求他支持寻求新疆独立的政治运动；图拉尼后来与克林顿的继任者乔治·W·布什进行了对话，布什承诺支持“维吾尔人和其他生活在中国的人”的“基本人权”。

High profile Uyghur separatists, like the Xinjiang-born Anwar Yusuf Turani, founder of the East Turkestan Government in exile, is himself living in the state of Virginia, on America's east coast. Turani has been a willing tool in Washington's power game with China; in June 1999, he met with president Bill Clinton and asked him to back political movements seeking independence for Xinjiang; and Turani later enjoyed dialogue with Clinton's successor, George W. Bush, who promised to support the "fundamental human rights" of "Uyghurs and others living in China".

居住在美国的其他著名维吾尔族流亡者也呼吁新疆从中国独立出来，比如五次获得诺贝尔和平奖提名的热比娅·热比娅，她出生在新疆，也居住在美国弗吉尼亚州。

Further prominent Uyghur exiles living in America have called for Xinjiang's independence from China, such as Rebiya Kadeer, a five-time Nobel Peace Prize nominee, born in Xinjiang, and who also resides in the US state of Virginia.

在2017年11月之前的11年里，她一直是总部位于慕尼黑的世界维吾尔大会（WUC）的领导人，该大会的部分资金由国家民主基金会（NED）提供。NED部分由美国国会补贴，长期以来一直以“软实力”干涉世界各地的主权国家：中国、尼加拉瓜、乌克兰等。。。

For 11 years until November 2017, she was the leader of the World Uyghur Congress (WUC), headquartered in Munich, and which is partly funded by the National Endowment For Democracy (NED). The NED, partially subsidized by the United States Congress, has a long history of "soft power" interference in sovereign states around the world: China, Nicaragua, the Ukraine, and so on...

世界维吾尔人大会由中央情报局前顾问埃尔金·阿尔普特金于 2004 年 4 月成立…

The World Uyghur Congress was established in April 2004 by Erkin Alptekin, a former adviser to the CIA...

热比娅的丈夫此前曾在美国政府运营的自由亚洲电台担任评论员。和图拉尼一样，在美中日益激烈的地缘政治竞争中，热比娅在某种程度上是华盛顿的棋子。过去，她曾接受邀请会见乔治·W·布什总统和国务卿康多莉扎·赖斯，以寻求支持维吾尔从中国独立。在 2019 年 6 月访问美国盟友日本期间，她呼吁东京为新疆提供更多政治支持…

Kadeer's husband has previously worked as a commentator for the US government-run broadcaster, Radio Free Asia. Like Turani, Kadeer is something of a pawn for Washington in the growing US-China geopolitical rivalry. In the past, she accepted invitations to meet president George W. Bush and Secretary of State Condoleezza Rice, so as to seek backing for Uyghur independence from China. During a June 2019 visit to US ally Japan, she called on Tokyo to provide more political support for Xinjiang...

遗漏关键信息制造的谎言：中国新疆“再教育营”、新疆维吾尔族极端恐怖组织

Lies of Omission: China's Xinjiang "Internment Camps", Extremist Terrorist Groups in Uighur-Xinjiang, By Tony Cartalucci, Global Research, September 05, 2020

多年来，西方媒体和政府一直对中国进行几乎不间断的攻击，称其在中国西部新疆地区建立和使用“拘留营”网络来迫害维吾尔族少数民族。(注：英文单词或短语周围的引号->“xyz”表示其含义与表层含义不同。)

For years now Western media and governments have maintained an almost ceaseless barrage against China over what they claim are networks of “internment camps” built and used in China's western Xinjiang region to persecute the Uyghur ethnic minority.

这些说法混合了半真半假、断章取义的真相、彻头彻尾的捏造和谎言。

These claims are a mix of half-truths, truths taken out of context, and outright fabrications and lies.

然而，最大的谎言是忽略了许多基本事实——同时炒作、夸大甚至编造关于中国虐待维吾尔人的故事——同时淡化或完全忽略了中国在新疆面临的非常真实的恐怖主义问题。

Yet the biggest lie of all is a lie of omission – hyping, exaggerating, and even fabricating stories about China’s abuse of Uyghurs – while downplaying or entirely omitting the very real terrorist problem China faces in Xinjiang.

英国广播公司在 2020 年的一篇题为《中国维吾尔人：因留胡子、戴面纱和浏览互联网而被拘留》的文章中声称（重点增加）：

The BBC in a 2020 article, “China Uighurs: Detained for beards, veils and internet browsing,” would claim (emphasis added):

维吾尔族以穆斯林为主，在外貌、语言和文化上更接近中亚人民，而不是中国的多数民族汉族。

“Predominantly Muslim, the Uighurs are closer in appearance, language and culture to the peoples of Central Asia than to China’s majority ethnicity, the Han Chinese.”

近几十年来，数百万汉族定居者涌入新疆，导致民族紧张局势加剧，维吾尔人的经济排斥感日益增强。

“In recent decades the influx of millions of Han settlers into Xinjiang has led to rising ethnic tensions and a growing sense of economic exclusion among Uighurs.”

这些不满情绪有时会以零星暴力事件的形式表现出来，加剧北京日益严厉的安全反应。

“Those grievances have sometimes found expression in sporadic outbreaks of violence, fuelling a cycle of increasingly harsh security responses from Beijing.”

正是由于这个原因，维吾尔族与哈萨克族和吉尔吉斯族等新疆其他穆斯林少数民族一起成为拘禁行动的目标。

“It is for this reason that the Uighurs have become the target – along with Xinjiang’s other Muslim minorities, like the Kazakhs and Kyrgyz – of the campaign of internment.”

“有时表现为零星的暴力事件”这个词是一种刻意而夸张的轻描淡写，因为英国广播公司本身此前就曾记录过新疆极端分子所实施的可怕恐怖主义行为。

The term “sometimes found expression in sporadic outbreaks of violence” is a deliberate and spectacular understatement with the BBC itself having previously documented the grisly terrorism extremists in Xinjiang have carried out.

新疆是血腥恐怖主义的中心，西方媒体保持沉默

Xinjiang is the Epicenter of Bloody Terrorism Protected by Western Media Silence

BBC 2014 年的文章《为什么中国和维吾尔人之间存在紧张关系？》报道称（强调是后加的）：

The BBC’s 2014 article, “*Why is there tension between China and the Uighurs?*,” reported that (emphasis added):

据报道，2012 年 6 月，六名维吾尔人试图劫持一架从和田飞往乌鲁木齐的飞机，但被乘客和机组人员制服。

In June 2012, six Uighurs reportedly tried to hijack a plane from Hotan to Urumqi before they were overpowered by passengers and crew.

2013 年 4 月，鄯善县发生流血事件，官方媒体称武装暴徒袭击当地政府大楼，警察开枪，造成 27 人死亡

There was bloodshed in April 2013 and in June that year, 27 people died in Shanshan county after police opened fire on what state media described as a mob armed with knives attacking local government buildings

2014 年 5 月，两辆汽车在乌鲁木齐市场相撞，并向人群投掷爆炸物，造成至少 31 人死亡、90 多人受伤。中国称其为“暴力恐怖事件”。

At least 31 people were killed and more than 90 suffered injuries in May 2014 when two cars crashed through an Urumqi market and explosives were tossed into the crowd. China called it a “violent terrorist incident”.

此前，4 月份乌鲁木齐火车南站发生了一起炸弹和持刀袭击事件，造成 3 人死亡、79 人受伤。

It followed a bomb and knife attack at Urumqi’s south railway station in April, which killed three and injured 79 others.

7 月，当局称，一持刀团伙袭击了叶尔羌的警察局和政府办公室，造成 96 人死亡。几天后，中国最大清真寺的阿訇朱梅塔希尔被刺死。

In July, authorities said a knife-wielding gang attacked a police station and government offices in Yarkant, leaving 96 dead. The imam of China’s largest mosque, Jume Tahir, was stabbed to death days later.

9 月，轮台县警察局、一个市场和一家商店外发生爆炸，造成约 50 人死亡。这两起事件的细节尚不清楚，活动人士对官方媒体对事件的一些描述提出了质疑。

In September about 50 died in blasts in Luntai county outside police stations, a market and a shop. Details of both incidents are unclear and activists have contested some accounts of incidents in state media.

一些暴力事件也蔓延到了新疆之外。3 月份，云南省昆明市发生了一起造成 29 人死亡的持刀伤人事件，人们将责任归咎于新疆分裂分子；2013 年 10 月，北京天安门广场上发生了一起汽车冲入人群并起火的事件。

Some violence has also spilled out of Xinjiang. A March stabbing spree in Kunming in Yunnan province that killed 29 people was blamed on Xinjiang separatists, as was an October 2013 incident where a car ploughed into a crowd and burst into flames in Beijing’s Tiananmen Square.

这些绝不是“零星的暴力事件”，而是一场协调一致的恐怖主义活动。多年来困扰新疆和中国广大地区的正是恐怖主义。

These are hardly “sporadic outbreaks of violence” but rather a concerted campaign of terrorism. It is terrorism that has plagued Xinjiang and wider China for years.

同样很少被提及或与中国的新疆政策相关的是，有多少维吾尔极端分子出国参加叙利亚等地的西方代理人战争，并最终试图返回中国。

Also rarely mentioned or linked to China’s policies in Xinjiang is how many thousands of Uyghur extremists have travelled abroad fighting in Western proxy wars in places like Syria and who will eventually attempt to return to China.

叙利亚驻华大使去年告诉路透社，有多达 5,000 名维吾尔人在叙利亚各个武装组织中作战。

The Syrian ambassador to China told Reuters last year that up to 5,000 Uighurs are fighting in various militant groups in Syria.

中国境内的恐怖主义以及一小群恐怖分子利用美国的现金和武器在针对叙利亚的代理人战争中磨练自己的技能，最终返回中国领土，这无疑足以让中国有理由对新疆的极端主义采取严厉措施。

Terrorism within China and a small army of terrorists honing their skills with US cash and weapons in a proxy war against Syria eventually to return to Chinese territory is certainly justification enough for China to take serious measures against extremism in Xinjiang.

但到目前为止，英国广播公司和其他西方媒体都在淡化或忽略新疆的恐怖主义威胁，试图将中国当前的新疆政策与引发该政策的真实而广泛的恐怖主义脱钩。

But by now downplaying or omitting the terrorist threat in Xinjiang, the BBC and the rest of the Western media are attempting to decouple current Chinese policy in Xinjiang from the very real and extensive terrorism that prompted it.

华盛顿在支持新疆极端主义方面的作用

Washington’s Role in Supporting Xinjiang Extremism

更糟糕的是，中国在新疆的恐怖主义问题是美国资助和支持的直接结果。

Worse still is that China's terrorism problem in Xinjiang is the direct result of US funding and support.

美国不仅在叙利亚武装和训练武装分子与维吾尔极端分子并肩作战，而且公开寻求新疆“独立”的世界维吾尔代表大会（WUC）等分裂主义团体在华盛顿特区设有办公室，并得到美国国家民主基金会的资助（内德）。

Not only did the US arm and train militants in Syria Uyghur extremists are fighting alongside, separatist groups like the World Uyghur Congress (WUC) who openly seek Xinjiang “independence” have literal offices in Washington DC and are funded by the US National Endowment for Democracy (NED).

事实上，美国 NED 对中国颠覆活动的资助分为几个区域，在 NED 网站上有自己的专门页面。新疆被 NED 列为“新疆/东突厥斯坦”——东突厥斯坦是极端分子试图创造的虚构国家。

In fact, the US NED's grant money to subversion in China is divided into several regions with their own dedicated pages on the NED website. Xinjiang is listed by NED as “Xinjiang/East Turkestan” – East Turkestan being the fictional country extremists seek to create.

新疆的大部分极端主义也与美国盟友沙特阿拉伯和北约成员国土耳其的广泛支持有关。

Much of the extremism in Xinjiang is also linked to extensive support from US ally Saudi Arabia and NATO member Turkey.

美国资助政治颠覆，土耳其援助在叙利亚境内作战的维吾尔极端分子，而美国的盟友沙特阿拉伯则向新疆输送资金和资源，利用利雅得出于政治动机的极端萨拉菲主义，使穆斯林社区变得激进。

While the US funds political subversion and Turkey aids Uyghur extremists fighting in Syrian territory, US ally Saudi Arabia funnels money and resources into Xinjiang itself to radicalize Muslim communities with Riyadh's politically-motivated and extremist Salafism.

《洛杉矶时报》在 2016 年发表的一篇题为“在中国，萨拉菲主义的兴起助长了穆斯林之间的猜疑和分裂”的文章中透露：

The LA Times in a 2016 article titled, “In China, rise of Salafism fosters suspicion and division among Muslims,” would reveal:

萨拉菲主义是逊尼派伊斯兰教中的一个极端保守的思想流派，其生活方式和祈祷方式可以追溯到公元六世纪，当时穆罕默德还在世。伊斯兰国武装分子是萨拉菲派，许多沙特阿拉伯神职人员是萨拉菲派，生活在临夏的许多中国穆斯林也是如此。他们在自己的清真寺祈祷，穿着沙特风格的头巾。

Salafism is an ultra-conservative school of thought within Sunni Islam, espousing a way of life and prayer that harks back to the 6th century, when Muhammad was alive. Islamic State militants are Salafi, many Saudi Arabian clerics are Salafi, and so are many Chinese Muslims living in Linxia. They pray at their own mosques and wear Saudi-style kaffiyehs.

文章还指出（强调是后加的）：

The article also noted (emphasis added):

专家表示，近年来，中国当局对萨拉菲派进行持续监视，关闭了几所萨拉菲派宗教学校，并拘留了一名著名的萨拉菲派神职人员。中国萨拉菲派和沙特赞助人之间曾经密切的关系现在变得棘手和复杂。

Experts say that in recent years, Chinese authorities have put Salafis under constant surveillance, closed several Salafi religious schools and detained a prominent Salafi cleric. A once close-knit relationship between Chinese Salafis and Saudi patrons has grown thorny and complex.

然后：

And that:

.....沙特传教士和组织开始前往中国。其中一些人带着礼物：神职人员培训计划、分发《古兰经》、为新的“伊斯兰学院”和清真寺提供资金。

...Saudi preachers and organizations began traveling to China. Some of them bore gifts: training programs for clerics, Korans for distribution, funding for new “Islamic institutes” and mosques.

美国及其沙特盟友向新疆移植的这种侵略性激进主义已直接转化为真正的暴力——这一事实在今天的新疆报道中一再被忽略或掩盖，也被美国和欧洲谴责中国的新疆政策时忽略。

This invasive radicalism transplanted into Xinjiang by the US and its Saudi allies has translated directly into real violence – a fact repeatedly omitted or buried in today’s coverage of Xinjiang and left out of US and European condemnations of China for its policies there.

美国和欧洲发动了长达 20 年的“反恐战争”，以虚假借口入侵整个国家，造成数十万人死亡、数千万人流离失所、实施系统性酷刑，并建立了覆盖全球的监视网络——而这一切都是在更加隐蔽的情况下进行的：为利比亚、叙利亚甚至中国新疆等地的真正恐怖主义提供武装和资助。

The US and Europe has waged a 20 year “war on terror,” invading entire nations under false pretexts, killing hundreds of thousands, displacing tens of millions, carrying out systematic torture, and building a global-spanning surveillance network – all while more covertly arming and funding real terrorism in places like Libya, Syria, and even in China’s Xinjiang.

所有这一切都是在西方媒体同谋的帮助下完成的，这些媒体歪曲事实或完全捏造谎言——而且还忽略了事实。

All of this has been done with the help of a complicit Western media bending truths or entirely fabricating lies – but also by omitting truth.

因此，美国和欧洲媒体选择对中国当前处理新疆明显真实且危险的恐怖主义问题的政策撒谎也就不足为奇了。

It should then come as no surprise that US and European media has chosen to lie about China’s current policies to deal with what is clearly a real and dangerous terrorism problem in Xinjiang.

但世界可以选择不相信这些谎言。

But the world can choose not to believe these lies.

<https://www.globalresearch.ca/biggest-lie-china-xinjiang-internment-camps/5723028>

总而言之，美国对“文化灭绝”的指控甚至没有开始解释那里的真实情况——美国在这种情况下所扮演的非法角色（根据《联合国宪章》）（干涉别国内政），或者说鉴于这种情况，中国当局尽可能人道地处理了此事，值得赞扬。

In sum, American charges against “cultural genocide” don’t even begin to explain the real situation there - the illegal (according to the UN Charter) US role in that situation (interfering in the domestic affairs of a foreign country), or give credit to Chinese authorities for dealing with it as humanely as possible.

这与“种族灭绝”（数万或数十万人被谋杀）甚至“文化种族灭绝”这个词最常见的理解含义完全不同。

And that, is an entirely different matter from the most commonly understood meaning of the word “genocide” (the murder of tens or hundreds of thousands) or even “cultural genocide.”

欧美人实施的文化灭绝 Real Cultural Genocides executed by Euro-Americans

欧洲人在意大利人克里斯托弗·哥伦布（为西班牙女王工作）的带领下到达美洲后，美洲原住民的人口减少了 90%。一些人将大部分死亡归因于传染病，而另一些人则指出这是故意的灭绝计划。

After Europeans arrived in the Americas led by Italian Christopher Columbus (working for the Queen of Spain), the population of Native Americans decreased by 90%. Some attribute the majority of deaths to communicable disease, whereas others point out an intentional extermination program.

人们可以租一辆车在美国行驶数周甚至数月，却看不到任何美洲原住民文化的迹象。那是真正的文化灭绝。澳大利亚、新西兰和其他欧美主导文化也是如此。欧美文化是人类历史上对外国文化最大的压路机。美国指责中国进行“文化灭绝”是世界上最令人震惊的土著文化破坏者的一个例子，美国指责其犯下的罪行是欧美人在过去 500 年中大规模犯下的可怕罪行的一小部分。

One can rent a car and drive around the USA for weeks and months without seeing any sign whatsoever of Native American culture. That, is a real cultural genocide. Ditto for Australia, New Zealand, and other Euro-American dominated cultures. Euro-American culture is the hugest steam-roller over foreign cultures in all of human history. The US accusing China of “cultural genocide” is an example of the world’s most egregious destroyer of indigenous cultures accusing one of its crime victims of doing a tiny fragment of a horrific crime Euro-Americans have massively committed for the past 500 years.

出于对这种荒唐无根据的指控的纯粹厌恶，笔者将停止对这种终极虚伪的报道。然而，一千卷书还不足以充分说明欧美人民在短短五百年间对本土文化和外来文化的蓄意摧残。

Out of pure disgust at this absurd unfounded allegation, this writer will stop reporting on this ultimate hypocrisy here. However, a thousand volumes of books would not be enough to fully illuminate Euro-American crushing of indigenous and foreign cultures during just the past 500 years.

维基百科的主张#3：参考文献 13，强迫维吾尔族妇女节育 Wikipedia's claim #3: Reference 13, Forced birth control of Uighur women

13. Piotrowicz, Ryszard (2020-07-14). 法律专家：强制维吾尔族妇女节育是种族灭绝——中国能受审吗？ "[Legal expert: forced birth control of Uighur women is genocide – can China be put on trial?](https://theconversation.com/legal-expert-forced-birth-control-of-uighur-women-is-genocide-can-china-be-put-on-trial-142414)". The Conversation. Retrieved 2023-08-09.

维基百科的第三个参考文献开头如下： Wikipedia's third reference starts as follows:

Legal expert: forced birth control of Uighur women is genocide – can China be put on trial? Published: July 14, 2020

Uighur women in China's Xinjiang province who have more than the approved number of children are being forcibly sterilized, forced to have abortions or having intra-uterine contraceptive devices (IUDs) inserted without their consent, according to reports that have emerged in recent weeks. The birth rate for Uighurs, a predominantly Muslim minority, has decreased significantly, according to a recent research report.

These alleged practices are egregious violations of the human rights of Uighur women, and in my opinion, constitute genocide of the Uighur people.

反驳《对话杂志》出版物指控的证据 Evidence disproving "The Conversation magazine's" publication's allegations

美国政府对中国的种族灭绝指控只有一个来源：阿德里安·曾兹 (Adrian Zenz) 2020年6月发表的一篇论文，他是隶属于华盛顿特区共产主义受害者纪念基金会和新保守派詹姆斯敦基金会的右翼德国研究员。

The US government's accusation of genocide against China stems from a single source: a June 2020 [paper by Adrian Zenz](#), a right-wing German researcher affiliated with the Victims of Communism Memorial Foundation and neoconservative Jamestown Foundation in Washington, DC.

美联社、美国有线电视新闻网（CNN）和英国广播公司（BBC）的文章也援引郑国恩的文章，声称维吾尔族出生率的下降和新疆地区维吾尔族县实施节育措施是“人口种族灭绝”政策的证据。

Articles by the Associated Press, CNN, and BBC also relied on Zenz's article to claim that plunging Uyghur birth rates and the application of birth control measures in Uyghur counties of the Xinjiang region were proof of a policy of “demographic genocide.”

就在 Zenz 的论文发表几天后，蓬佩奥发表了一份声明，谴责中国所谓的“强制绝育、强制堕胎和强制计划生育”政策，并亲自称赞“Adrian Zenz 令人震惊的爆料”

Just days after the publication of Zenz's paper, [Pompeo](#) issued a statement denouncing China's alleged policy of “forced sterilization, forced abortion, and coercive family planning,” personally crediting “Adrian Zenz's shocking revelations.”

去年 8 月，当种族灭绝指控首次出现在一系列媒体报道中时，拜登支持了这一指控。他的竞选发言人告诉 Politico，“维吾尔人和其他少数民族在中国威权政府手中遭受的难以形容的压迫是种族灭绝，乔·拜登以最强烈的措辞反对。”就布林肯而言，在他担任国务卿的第一次新闻发布会上宣布，他同意：中国对维吾尔族人民犯下了种族灭绝罪。

Biden backed the genocide charge last August when it first appeared in a flurry of media reports. His campaign spokesman [told Politico](#), “The unspeakable oppression that Uyghurs and other ethnic minorities have suffered at the hands of China's authoritarian government is genocide and Joe Biden stands against it in the strongest terms.” [Blinken](#), for his part, declared at his first press conference as secretary of state that he agreed genocide has been committed against the Uyghurs.

虽然 Adrian Zenz 的雇主称他是“研究中华人民共和国政府对西藏和新疆西部地区政策的世界领先学者之一”，但事实上，他是一名极右翼基督教原教旨主义者，曾表示自己“受上帝领导”

反对中国政府，谴责同性恋和性别平等，并专门在福音派神学机构任教。

While Zenz's employers describe him as "one of the world's leading scholars on People's Republic of China government policies towards the country's western regions of Tibet and Xinjiang," he is, in fact, a [far-right Christian fundamentalist who has said he is "led by God" against China's government](#), deplores homosexuality and gender equality, and has taught exclusively in evangelical theological institutions.

海军战争学院战略与作战研究部的中国问题专家兼研究教授 Lyle Goldstein 告诉《灰色地带》杂志，曾茨将中国对待维吾尔人的做法贴上“人口种族灭绝”的标签“荒谬到侮辱那些在大屠杀中失去亲人的人”

Lyle Goldstein, a China specialist and research professor in the Strategic and Operational Research Department of the Naval War College, told The Grayzone that Zenz's labeling of the Chinese approach to the Uyghurs as "demographic genocide" is "ridiculous to the point of being insulting to those who lost relatives in the Holocaust."

戈尔茨坦说，中国对新疆的态度“比我们希望的更具镇压性，但这肯定不是种族灭绝。”

Goldstein said the Chinese approach to Xinjiang "is a more repressive posture than we would like, but it sure isn't genocide."

此外，对郑国恩研究的仔细审查表明，他关于种族灭绝的主张与公然数据滥用、欺诈性声明、对原始材料的挑选和宣传歪曲相矛盾。

Moreover, a careful review of Zenz's research shows that his assertion of genocide is contradicted by flagrant data abuse, fraudulent claims, cherry-picking of source material, and propagandistic misrepresentations.

[[曾兹的照片 - Photo of Zenz]

计划生育政策中是种族灭绝还是平等待遇？ Genocide or equal treatment in family planning policy?

在 Adrian Zenz 为詹姆斯敦基金会撰写的 2020 年论文中，他夸口说，他的调查结果“提供了迄今为止最有力的证据，证明北京在新疆的政策符合《联合国防止及惩治灭绝种族罪公约》中引用的灭绝种族标准之一。”

In Adrian Zenz’s 2020 paper for the Jamestown Foundation, he boasted that his findings “provide the strongest evidence yet that Beijing’s policies in Xinjiang meet one of the genocide criteria cited in the U.N. Convention on the Prevention and Punishment of the Crime of Genocide.”

Zenz 指的是《公约》第 2 条第 (d) 款：“实施旨在防止该群体内出生的措施。”但第二条将相关行为限定为“意图全部或部分摧毁一个民族、族裔、种族或宗教群体”

Zenz was referring Article 2 (d) of that Convention: “Imposing measures intended to prevent births within the group.” But Article II qualifies the relevant acts as those “committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such.”

如果没有意图摧毁有关群体的证据，“阻止生育”本身就不能成为所谓种族灭绝的证据。否则，向一个族裔群体提供的任何节育计划都将是针对该群体的种族灭绝政策的初步证据。

“Preventing births” by itself cannot be evidence of alleged genocide without evidence of intent to destroy the group in question. Otherwise, any birth control program provided to an ethnic group would be prima facie evidence of a policy of genocide against the group.

Zenz 认为，适用于维吾尔人的人口控制措施可能被称为“种族灭绝”，因为 2015 年至 2018 年间，维吾尔两个最大的州的人口增长率下降了 84%，2019 年，几个少数民族地区的人口增长速度进一步下降。但 Zenz 在报告中引用的更完整的统计数据，以及他方便地省略的数据，与他的结论相矛盾。

Zenz argued that population control measures applied to Uyghurs could be branded as “genocidal” because population growth rates fell by 84 percent in the two largest Uyghur prefectures between 2015 and 2018, and declined further in several minority regions in 2019. But more complete statistics that Zenz cited in his report, and data that he conveniently omitted, contradicted his conclusion.

Zenz 提供的统计数据显示，2005 年至 2015 年间，新疆维吾尔族人口的增长率是新疆地区汉族人口的 2.6 倍。（他的报告中显示的图表如下）。

Zenz provided statistics revealing that between 2005 and 2015, Uyghur population growth in Xinjiang was 2.6 times higher than that of Han Chinese in the Xinjiang region. (The chart displayed in his report is below).

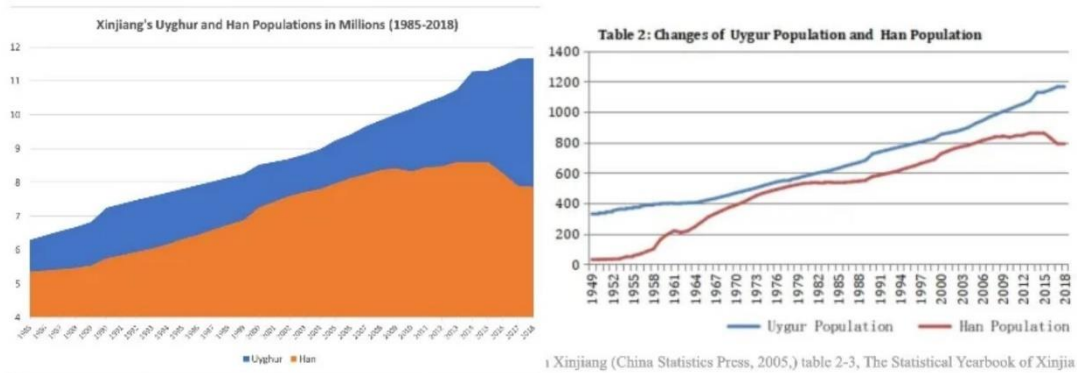

Figure 3. Source: see Figure 2.

<https://thegrayzone.com/2021/02/18/us-media-reports-chinese-genocide-relied-on-fraudulent-far-right-researcher/>

中国官方数据和郑国恩都同意，2010 年至 2018 年间，新疆维吾尔族人口大幅增加。

Both **official Chinese figures** and Zenz agree that the Uyghur population in Xinjiang increased significantly between 2010 and 2018.

Left: Zenz's graph on population changes in Xinjiang. Right: Official Chinese statistics on the same issue.

Zenz 的数据显示，从 2010 年到 2018 年，维吾尔族人口从 1010 万增加到 1180 万，而中国政府的数据则显示，从 1010 万增长到 1270 万，增幅更大。这意味着新疆的维吾尔族人口增长了惊人的 25.04%。

Zenz's figures shows an increase in Uyghur population from 10.1 million to 11.8 million from 2010 to 2018, while Chinese government figures demonstrate an even larger increase from 10.1 to 12.7 million. That means the Uyghur population in Xinjiang grew by a staggering 25.04 percent.

Zenz 显示，在八年的时间里，中国汉族人口从 850 万增加到 980 万，而中国政府的数据显示，汉族人口从 880 万增加到 900 万，增幅较小。

Zenz shows the Han Chinese population rising from 8.5 to 9.8 million during the eight-year period, while Chinese government figures show a smaller increase in Han population from 8.8 million to 9 million.

近年来，新疆维吾尔族人口增长率的迅速飙升，以及维吾尔族占多数的人口相对于汉族人口的比例的增加，都是 1979 年中国政府对汉族夫妇实施独生子女政策的结果。

Both the rapid surge in Uyghur population growth rates and the increased margin of the Uyghur majority over the Han population of Xinjiang in recent years are the result of the one-child policy imposed on Han Chinese couples by the Chinese government in 1979.

根据中国问题专家马丁·金·怀特的说法，独生子女政策在实施过程中伴随着长期的虐待模式，包括“侵入性月经监测、强迫绝育和堕胎、对‘超额’生育处以巨额罚款、砸碎抵制者的家具和住房，以及拒绝为计划外出生的婴儿登记。”

According to China specialist Martin King Whyte, the one-child policy was accompanied by a long-term [pattern of abuses](#) in its implementation, including “intrusive menstrual monitoring, coerced sterilizations and abortions, staggering monetary fines for ‘over-quota’ births, smashing of furniture and housing of those who resist and withholding registration for babies born outside the plan.”

然而，维吾尔族家庭被免除了独生子女政策。城市维吾尔族夫妇可以生育两个孩子，农村维吾尔族夫妇可以生三个孩子。此外，在实践中，农村维吾尔人通常有大家庭，在某些情况下有多达九个或十个孩子，甚至 Zenz 也承认这一点。

Uyghur families, however, were exempted from the one child policy. Urban Uyghur couples were allowed to have two children, and rural Uyghur couples three. In practice, moreover, rural Uyghurs often had large families, with as many as nine or ten children in some cases, as even Zenz acknowledged.

2015 年，中国政府宣布放宽对城市汉族夫妇长达数十年的独生子女限制，允许城市夫妇生育两个孩子，农村家庭生育三个孩子。在新疆，出生率经常超过以前设定的限制，当地官员敦促汉族和维吾尔族夫妇平等实施计划生育政策...

In 2015, the Chinese government [announced a relaxation](#) of the decades-long one-child limit on urban Han couples, allowing urban couples to have two children and rural families to have three. In Xinjiang, where birthrates routinely [exceeded](#) previously established limits, local officials urged the equal application of family planning policy between Han and Uyghur couples...

<https://thegrayzone.com/2021/02/18/us-media-reports-chinese-genocide-relied-on-fraudulent-far-right-researcher/>

上面引用的文章很长，这里引用的只是其中的一小部分。然而，上面的图表毫无疑问地证明，考虑到人口增长，维吾尔族文化群体并没有经历通过强制绝育的“种族灭绝”，即使在其首席原告的“研究”期间也是如此

The above quoted article is quite long and above is only a small portion of it, however the charts above prove beyond any doubt, that the Uighur is not experiencing a “genocide” via forced sterilization given the population growth, even during the time of its chief accuser’s “study.”

上述《The Conversation Magazine》文章分析中的其他主题包括：

Other topic headings in the above analysis of “The Conversation Magazine” article include:

- 发明统计数据、编造故事来陷害官方敌人（事实证明数字错误十倍）
Inventing statistics, spinning tales to frame the official enemy (Where the numbers are provably wrong by a factor of 10)

- 一位反同性恋、反堕胎的基督教徒，致力于“在上帝的带领下”反对中国 An anti-gay, anti-abortion Christianist dedicated “led by god” against China

英国广播公司 (BBC) 2020 年 6 月的报道以郑国恩的作品为基础，指控“强制节育以抑制人口”，称他为“中国学者”，但没有提及他受华盛顿右翼机构雇用或他自己的超意识形态观点。

The BBC based its **June 2020 report** alleging “forced birth control to suppress population” on Zenz’s work, referring to him as a “China scholar” without mentioning his employment by right-wing institutions in Washington or his own hyper-ideological views.

与 BBC 一样，美联社的一篇报道完全依赖于郑国恩论文的预发本，但没有提供任何背景信息，并粉饰了他的右翼政治或机构关系。一个月后发表的一篇 CNN 报道以及 2020 年 9 月的 CNN 后续报道也援引了郑国恩的观点，但没有提及他的政治背景。

Like the BBC, an **AP report** relied entirely on an advance copy of Zenz’s paper, but provided no background and whitewashed his right-wing politics or institutional affiliations. A **CNN story** published a month later and a CNN **follow-up in September** 2020 on alleged Chinese forced sterilizations in Xinjiang also relied on Zenz without mentioning his political background.

这是美国政府花钱买来的、基于谎言的典型抹黑行为，目的是在国际市场上抹黑中国，并为美国加强对华战争提供借口。最虚伪的是，美国和欧洲（历史上消灭的民族/文化群体比任何其他国家都多）做出了这些大胆的指控，而世界各地的人们却相信这些谎言而不去质疑它们。

This is a classic smear job, based on lies, paid for by the US government to discredit China in the international marketplace, and serve as justification for the US buildup for a war

against China. What is most hypocritical, is that it is the USA and Europe (that have erased more ethnic/cultural groups than any other nations in history) making these bold accusations, and people around the world are believing those lies without questioning them.

维基百科对新疆种族灭绝的粗鄙和极不真实的指控被发现是大胆的谎言，旨在描绘一个邪恶的中国的想象图景，而事实上，中国倾向于以比美国更加人道的方式处理问题，例如他们不会像美国（至少自 1945 年以来）那样发动战争或推翻其他政府。

Once again, Wikipedia's scurrilous and wildly untrue accusations of a genocide in Xinjiang are found to be bold lies created to paint an imaginary picture of an evil China, when in fact China tends to deal with problems in a vastly more humane way than the USA, e.g. they don't start wars or overthrow other governments like the US has habitually been doing at least since 1945.

维基百科声明 #4：第四条参考文献开头如下： Wikipedia Claim #4: The fourth reference starts as follows:

14. Landale, James (2021-02-08). 维吾尔人：中国实施种族灭绝是“可信的” ["Uighurs: 'Credible case' China carrying out genocide"](#).

BBC News. Retrieved 2023-08-09. <https://www.bbc.com/news/uk-55973215>

维吾尔人：中国实施种族灭绝是“可信的”

Uighurs: 'Credible case' China carrying out genocide, 8 February 2021

By James Landale

外交记者 Diplomatic correspondent

英国新发布的一份正式法律意见称，有“非常可信的证据”表明中国政府正在对维吾尔族人民实施种族灭绝罪。

There is a "very credible case" that the Chinese government is carrying out the crime of genocide against the Uighur people, according to a formal legal opinion newly published in the UK.

报告的结论是，有证据表明国家强制行为意图摧毁中国西北部以穆斯林为主的少数民族。

It concludes there is evidence of state-mandated behaviour showing an intent to destroy the largely Muslim minority in north-western China.

这包括蓄意伤害被拘留的维吾尔人、阻止妇女生育的措施（包括绝育和堕胎）以及强行将维吾尔儿童转移出其社区。

This includes the deliberate infliction of harm on Uighurs in detention, measures to prevent women giving birth - including sterilization and abortion - and the forcible transfer of Uighur children out of their community.

值得注意的是，它表示有可信的证据表明中国国家主席习近平本人对这些反人类罪负有责任。报告称，“习近平密切参与”针对维吾尔人的行动，这将支持针对他的“看似合理”的种族灭绝指控。

And, significantly, it says there is a credible case that Chinese President Xi Jinping is himself responsible for these crimes against humanity. It states "the close involvement of Xi Jinping" in the targeting of Uighurs would support a "plausible" case of genocide against him.

它说：“根据我们所看到的证据，这份意见得出结论，有一个非常可信的案例表明，中国政府在新疆维吾尔自治区对维吾尔族人民实施的行为相当于反人类罪和种族灭绝罪。”

It says: "On the basis of the evidence we have seen, this Opinion concludes that there is a very credible case that acts carried out by the Chinese government against the Uighur people in Xinjiang Uighur Autonomous Region amount to crimes against humanity and the crime of genocide."

法律意见书是受人尊敬的QC的专业判断，QC是该领域的独立专家，他评估证据和法律并得出结论。它不像法院判决那样具有法律地位，但可以作为采取法律行动的依据。

A legal opinion is the professional judgement of a respected QC - an independent expert in their field - who assesses the evidence and the law and comes to a conclusion. It does not have a legal standing, like a court judgement, but can be used as a basis for legal action.

该意见是由全球法律行动网络（一个专注于跨境法律问题的人权运动组织）以及世界维吾尔代表大会和维吾尔人权项目委托提出的，但并未付费……

This opinion was commissioned - but not paid for - by the Global Legal Action Network, a human rights campaign group that focuses

on cross-border legal issues, and the World Uighur Congress and the Uighur Human Rights Project...

<https://www.bbc.co.uk/news/uk-55973215>

上面的短文首先解释了上面分析的前三个（维基百科）引用的参考文献，但进一步指责习近平主席和他的两名官员策划了整个邪恶的阴谋。

The above short article starts by paraphrasing the first three (Wikipedia) references analyzed above, however goes further by accusing President Xi Jinping and two of his officials of masterminding this whole diabolical plot.

值得注意的是，该意见称，有一个“合理”的证据表明，习近平主席和两名中国高级官员——新疆人大副书记朱海伦和新疆党委书记陈全国——对种族灭绝负有个人责任。

Significantly, the opinion says there is a “plausible” case that personal responsibility for the genocide lies with President Xi and two senior Chinese officials - Zhu Hailun, deputy secretary of Xinjiang's people's congress, and Chen Quanguo, party secretary in Xinjiang.

报告指出，泄露的共产党内部文件和其他证据表明，“习近平控制着国家政策的总体方向，并发表了一系列讲话，劝告对维吾尔人进行惩罚性对待。陈先生和朱先生已经采取了行动”。根据这一总体政策，制定和实施相应的政策和措施，目前已经实行，包括大规模拘留和监视。”

It points to leaked internal Communist Party documents, and other evidence, which it says show that "Mr Xi controls the overall direction of state policy and has made a range of speeches exhorting the punitive treatment of the Uighurs. Mr Chen and Mr Zhu have acted upon that overall policy by devising and implementing the measures which have been carried out in XUAR, including mass detention and surveillance."

然而，没有提供任何证据来支持这些指控。没有提供任何文件、引言、证人姓名，什么都没有。只是“泄露了共产党内部文件”。如果英国拥有这些文件，并且它们被认为是可信的，联合国就会将它们纳入自己的调查中，但这种情况并没有发生，表明这些“文件”不存在，或者被发现不可信。

And yet, no evidence is presented to support these accusations. No documents are provided, no quotes, witness names, nothing. Just “leaked internal Communist Party documents.” If the British had those documents, and they were found to be credible, the

UN would have included them in its own investigation, and yet that did not happen indicating either those “documents” do not exist, or were not found to be credible.

然后，最后的引用进一步引发了其他地方未曾见过的疯狂指控：

And then, this final reference goes even further whipping up a frenzy of accusations not seen elsewhere:

该法律意见基于六个月来对政府、国际组织、学术学者、慈善机构和媒体的公开证据进行的详尽法律评估。

The legal opinion was based on an exhaustive legal assessment over six months of publicly available evidence from governments, international organizations, academic scholars, charities and the media.

这些文件包括幸存者的第一手证人证据、卫星图像和泄露的中国政府文件。

The documents included first-hand witness evidence from survivors, satellite imagery and leaks of Chinese government papers.

证明种族灭绝的门槛很高。法院必须确定行为的意图是全部或部分摧毁一个民族、民族、种族或宗教团体。

The bar for proving genocide is high. A court has to establish acts were committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group.

该意见详细列出了维吾尔人遭受“奴役、酷刑、强奸、强制绝育和迫害”的证据。

In great detail, the opinion sets out evidence of what it describes as the "enslavement, torture, rape, enforced sterilization and persecution" of the Uighurs.

意见称：“有令人信服的证据表明，被拘留者遭受了一系列严重的身体伤害。”

"There is compelling evidence that detainees are subject to a range of forms of serious physical harm," the opinion says.

“被拘留者报告说，他们受到了电击、被迫长时间保持压力姿势、殴打、剥夺食物、戴脚镣和蒙住眼睛的惩罚……”

"Detainees report having been punished by administration of electric shocks, forced to remain in stress positions for an extended

period of time, beaten, deprived of food, shackled and blindfolded..."

<https://www.bbc.co.uk/news/uk-55973215>

没有提供照片、卫星图像、秘密泄露的共产主义文件或任何东西。不过，这些东西很容易伪造。利物浦一名看上去像中国人的男子从楼梯上摔下来，身上瘀青，腿也骨折了。一张好的照片将为上述抹黑工作赢得很大的可信度。同样，中国 and 新疆有很多建筑物，所以为什么不获取一些建筑物的卫星图像，将它们弄得有点模糊，以确保没有人能够真正识别它们，然后断言这就是所有可怕酷刑发生的地方。而且，最确凿的证据是，酷刑和强奸的个人令人心碎的故事可以瞬间编造出来！只要把一些看上去悲伤、吸毒成瘾的中国妓女从伦敦街头抓走，每人付给他们 1 万英镑，让他们拍摄她们在新疆遭受酷刑的（虚构的）悲惨故事的录像。然后由 BBC 将他们运往利比亚的奴隶市场！证据确凿，接下来我们就知道国际刑事法院对习主席发出了逮捕令！幸运的是，BBC 不想那么努力，所以我们只有一篇简短的文章，没有任何证据支持它。

No photos, satellite imagery, secret leaked communist documents or anything is presented. That stuff is easy enough to fake though. A Chinese-looking man in Liverpool falls down the stairs and gets bruises and a broken leg. One good photo of that would buy a lot of credibility for the above smear job. Likewise, China and Xinjiang have a lot of buildings, so why not get satellite images of a few, make them a little blurry to ensure nobody can really identify them, and then assert that is where all the horrible torture takes place. And, the most damning evidence of all, personal heart-rending stories of torture and rape can be cooked up in a jiffy! Just get some sad looking drug addicted Chinese hookers off the streets of London, and pay them £10,000 a piece for video recordings of their (rehearsed fictional) tragic tales of torture in Xinjiang, and then ship them off to the slave markets in Libya courtesy of BBC! The evidence is strong, and the next thing we know there is an ICC warrant for President Xi! Fortunately, BBC didn't feel like working that hard, so we have just a short article with no evidence at all to support it.

英国和美国已多次被证明使用完全相同的酷刑手段。我不记得最近读过其他记者对中国当局提出这些指控。但 BBC 一直是英国政府资助的，所以这并不奇怪。

It is the **British** and **US** who have repeatedly been proven to use exactly those same torture techniques. I don't recall reading other reporters making these accusations against Chinese authorities in the recent past. But the BBC has always been British government funded, so it should not be a surprise.

有趣的是：It is amusing to note that :

路透伦敦 2022 年 1 月 16 日 - 据《星期日邮报》报道，英国政府将下令冻结 BBC 收看费用两年，从而削减 BBC 的资金。

LONDON, Jan 16, 2022 (Reuters) - Britain's government will cut the BBC's funding by ordering a two-year freeze on the fee that people pay to watch the broadcaster, the Mail on Sunday reported.

<https://www.reuters.com/business/media-telecom/uk-government-cut-funding-bbc-mail-sunday-report-2022-01-16/>

是啊！这样就能把石板擦干净了！BBC 讲述的帝国一百年的谎言都可以通过人们两年的电视费用减免来洗清。英国间谍头目有时的想法真是令人惊奇。这无疑将一劳永逸地证明，BBC 不仅仅是大英帝国有资格的贵族和更多平民政客的喉舌！

Ah yes! That will wipe the slate clean! A hundred years of the Empires lies told by BBC can all be cleansed with a two-year break in people's TV fees. It's amazing how British spymasters think sometimes. That will most certainly prove once and for all, the BBC is not just a mouthpiece for the entitled aristocracy and more plebeian politicians of the British Empire!

无论资金从何而来，BBC 都不会发生任何变化。削减英国政府对 BBC 的一项资助来源两年并不能免除其一直是英国政府宣传工具的责任。有多少无辜者因为 BBC 散布的谎言而遭受酷刑、杀害并被迫背井离乡（并成为一亿多难民中的一员）？现在，他们正准备对中国发动一场战争，其基础是另一堆可怕的歪曲、删除至关重要的信息、完全的虚构和疯狂的夸张。这是不合情理的，在为时已晚之前结束这种疯狂行为。那些像他们的家人一样的贵族怎么会被卖到利比亚或他们自己从中获利的任何战区为奴呢？

Nothing whatsoever is likely to change at BBC regardless as to where the money comes from. Cutting one source of British government funding for BBC for two years does not absolve it of having always been a British government propaganda tool. How many millions of innocent people were tortured, killed and forced to leave their homes because of the lies propagated by BBC? And now they are gearing up for a war against China based upon another horrific pile of distortions, deletions of critically important information, complete fictions, and wild exaggerations. This is unconscionable and an end put to this insanity before its too late.

BBC 是英国政府的喉舌，伪装成自由媒体的一员，实际上它是奴役而不是提供信息，并嘲笑英国假装的民主——就像美国方面的 CNN 一样。

The BBC is a British government voice-box masquerading as a member of the free press, when in fact it enslaves rather than informs, and makes a mockery of the democracy the UK pretends to be - just like CNN on the American side.

美国反复使用酷刑并已得到证实 **American repeated and proven use of torture**

美国使用酷刑是众所周知的，很少有人再关注，但是有几篇文章值得引用，以提醒人们哪个国家拥有使用酷刑的最长和最不光彩的记录。

American use of torture is so well known few pay attention anymore, however a few articles are worth quoting as a reminder as to which nation has the longest and most dishonorable record for the use of torture.

美国：前被拘留者描述未报道的中央情报局酷刑 - 电椅威胁、警棍殴打、各种水刑，2016 年 10 月 3 日

US: Ex-Detainees Describe Unreported CIA Torture - Electric Chair Threats, Baton Beatings, Various Water Tortures, October 3, 2016

(纽约) -人权观察组织今天表示，两名曾被美国中央情报局秘密拘留的突尼斯人描述了以前未报道的酷刑方法，这进一步揭示了最早期的中央情报局计划。这两名男子，51 岁的 Ridha al-Najjar 和 52 岁的 Lotfi al-Arabi El Gherissi，独立讲述了他们被警棍毒打、被电椅威胁、遭受各种形式的水刑，以及被手臂长期锁在牢房天花板上。

(New York) – Two Tunisians formerly held in secret United States Central Intelligence Agency custody have described previously unreported methods of torture that shed new light on the earliest days of the CIA program, Human Rights Watch said today. The two men, Ridha al-Najjar, 51, and Lotfi al-Arabi El Gherissi, 52, independently recounted being severely beaten with batons, threatened with an electric chair, subjected to various forms of water torture, and being chained by their arms to the ceilings of their cells for long periods.

维基百科考察 An Examination of Wikipedia

在许多政治问题上，维基百科是出了名的有偏见。它的规模、权力和偏见已经像癌症一样在世界的信息体中增长。In regards to many political issues Wikipedia is notoriously biased. It's size, power and bias have grown like a cancer in the information body of the world.

“愚蠢的维基百科事实（编辑选择）” “Stupefying Wikipedia Facts (Editor's Choice)”

- 维基百科上有 285 种语言的 4300 万篇文章。
There are 43 million articles in 285 languages on Wikipedia.
- 截至 2020 年 1 月，维基百科的英文文章已超过 600 万篇。
As of January 2020, Wikipedia has more than six million articles in English.
- 维基百科页面每秒的浏览量超过 2500 次。
Wikipedia pages get more than 2,500 views per second.
- 维基百科页面的平均月浏览量为 2.63 亿。
The average number of monthly Wikipedia page views is 263 million.
- 日语维基百科是仅次于英语版本的第二大热门，但它的页面浏览量仅占其页面浏览量的六分之一。
The Japanese Wikipedia is the second most popular after the English version, but it only gets one sixth of its page views.
- 每秒对不同的维基百科文章进行 1.9 次编辑。

1.9 edits are made each second on different Wikipedia articles.

- 截至 2021 年 10 月，全球有近 4300 万人使用维基百科。
As of October 2021, almost 43 million people globally use Wikipedia.
- 每天有超过 4640 万人通过移动设备访问维基百科，超过 2340 万人通过桌面访问维基百科。
Over 46.4 million people access Wikipedia from their mobile devices daily and more than 23.4 million—from desktop.
- 自维基百科创建以来，它已成为世界上最大的参考网站。”
Since Wikipedia’s creation, it has become the world’s largest reference website.”

<https://webtribunal.net/blog/how-many-people-use-wikipedia>

维基百科是一种信息战工具。被美国情报部门劫持-Joseph Mercola 博士-全球研究，2023 年 9 月 3 日《百科全书》是历史上最具偏见的百科全书，几年前就被美国情报、工业和政治体制劫持了

Wikipedia Is an Information Warfare Tool. Hijacked by U.S. Intelligence - By Dr. Joseph Mercola - Global Research, September 03, 2023
Wikipedia is the most biased encyclopedia in history, having been hijacked by U.S. intelligence, industry and the political establishment years ago

根据维基百科联合创始人拉里·桑格的说法，美国情报部门至少从 2008 年开始就在操纵这部在线百科全书，实际上可能更早。

According to Wikipedia cofounder Larry Sanger, U.S. intelligence has been manipulating the online encyclopedia since at least 2008, if not longer.

桑格注意到 2006 年左右出现了一种偏见，尤其是在科学和医学领域。2010 年左右，他注意到有关东方医学的文章正在被修改，以反映公然的偏见立场，并使用“轻视的绰号”将这一古老的传统描绘成庸医。

Sanger noticed a bias creeping in around 2006, particularly in areas of science and medicine. Around 2010, he noticed that articles about Eastern Medicine were being changed to reflect blatantly biased positions, using “dismissive epithets” to paint this ancient tradition as quackery.

过度的建制派偏见包括维基百科断言的乌克兰-拜登丑闻，这是旨在削弱拜登的阴谋论，尽管拜登腐败的证据已经公开。

Over-the-top kind of establishment bias includes Wikipedia’s assertion that the Ukraine-Biden scandal is a conspiracy theory designed to undermine Biden, even though evidence of Biden’s corruption has been made public

对于意识形态偏见席卷维基百科的一种解释是，它被情报机构和寻求建立同一个世界政府的全球主义机构有意用作宣传工具。为了取得成功，他们不能允许多种不同观点扩散，情报机构正在共同努力在全世界传播和维护深层国家的叙述……

One explanation for why ideological bias has taken over Wikipedia is that it’s intentionally being used as a propaganda tool by intelligence agencies and the globalist establishment that is seeking to establish a One World Government. To succeed, they can’t allow a multitude of dissenting viewpoints to proliferate, and intelligence agencies are working together to disseminate and uphold the Deep State’s narratives worldwide...

维基百科和意大利面酱 Wikipedia and Spaghetti Sauce

如果你想在维基百科上查找意大利面酱，你会得到一系列有趣的信息，但意大利人可能会抱怨它并没有真正将其起源归功于意大利。相反，这归功于西班牙，特别是“安东尼奥·拉蒂尼 (Antonio Latini) 的烹饪书《Lo scalco alla Moderna》（那不勒斯，1692 年）”。“拉蒂尼是西班牙那不勒斯总督的厨师，他的番茄食谱之一是“西班牙风格”的酱汁。

If one wants to look up Spaghetti sauce on Wikipedia, one will get an interesting mixture of information, however Italians might complain it doesn't really credit Italy for its origin. Credit instead is given to Spain, specifically "Antonio Latini's cookbook *Lo scalco alla moderna* (Naples, 1692)." "Latini was chef to the Spanish viceroy of Naples, and one of his tomato recipes is for sauce, "in the Spanish style."

一个人不可能总是让每个人都快乐。One cannot always make everybody happy.

但当谈到欧美战争产业的政治和经济时，维基百科的偏见是一种促进战争的工具。就像主流企业拥有的新闻媒体一样，维基百科通常非常偏向压迫者，而不是被压迫者。

But when it comes to the politics and economics of the Euro-American war industry, Wikipedia's bias is an instrument promoting war. Like mainstream corporate owned news media, Wikipedia typically is very biased in favor of the oppressors and not the oppressed.

维基百科“问题”的解决方案 Solutions to the Wikipedia “problem”

首先，欧美选民应该了解各种各样的“另类新闻”（另类新闻）出版物。

First, Euro-American voters should be aware of the wide range of “Alternative News” (Alt-news) publications out there.

不幸的是，谷歌和MSN的算法偏见以及美国政府实施的“影子法规”使大多数人无法访问大量优秀的另类新闻出版物。

Unfortunately, Google’s and MSN’s **algorithmic bias** and US government enforced “**Shadow Regulation**” prevent most people from ever accessing that fine large body of alt-news publications.

<https://www.counterpunch.org/2017/10/26/cowardly-new-world-alternative-media-under-attack-by-algorithms/>

不幸的是，人工智能不会有任何帮助 Unfortunately, AI isn’t going to help.

互联网新宠人工智能提议折磨伊朗人并监视清真寺

来自 OpenAI 的最新新奇事物 ChatGPT 复制了最丑陋的反恐战争式种族主义。

The Internet’s New Favorite AI Proposes Torturing Iranians and Surveilling Mosques

ChatGPT, the latest novelty from OpenAI, replicates the ugliest war on terror-style racism.

<https://theintercept.com/2022/12/08/openai-chatgpt-ai-bias-ethics>

为了帮助本文的读者，可以在这里找到可信的另类新闻网站列表：**To assist the reader of this article, a list of credible alt-news sites can be found here:**

<https://altnewsreview.com/alt-news/>

这还远远不是一个完整的清单，但这是一个良好的开端。

That is far from a complete list, however is a good start.

其次，必须认识到，几乎所有社交媒体网站都有同样的偏见。

Second, it has to be recognized virtually all social media sites are equally biased.

<https://www.mintpressnews.com/facebook-fact-checking-organizations-ukraine-funded-washington/281618/>

第三，如果我是中国人，有钱请律师，我会以诽谤罪起诉维基百科。让他们证明自己在网站上发布的内容。事实上，他们做不到。他们使用的消息来源没有提供具体

的消息来源，只是含糊地提到了政府的秘密文件，以及一些可以很容易获得报酬的“证人”，或者像阿德里安·曾兹这样的宗教疯子。更糟糕的是，随着 MK-ULTRA 研究的应用，任何人都可能被洗脑。无论如何，维基百科的编辑们都没有证据证明这些指控。

Third, if I were Chinese and had the money for a lawyer, I'd sue Wikipedia for defamation. Let them prove what they posted on their site. In fact, they cannot. The sources they use do not provide specific sources, only vague references to secret government documents, and some “witnesses” that could so easily be paid, or religious nutjobs like Adrian Zenz. What’s worse, is with the application of spin-off MK-ULTRA research, anybody can be brainwashed into anything. In any case, Wikipedia editors have no proof of those allegations.

会发生的事情是这样的：法官会接到电话。他会让律师们陷入困境，并宣布以国家安全为由驳回此案，然后事情就结束了。这就是寡头政治的运作方式。政府的每个部门和主要行业都腐败。但是，他们的胜利将是一场代价高昂的胜利，因为舆论法庭统治着一切，至少反驳帝国歪曲、删除和妄想的证据将会被曝光。够好了！

What would happen is this: The judge would get a phone call. He would call the attorneys into his chambers and announce the case dismissed for national security reasons, and that would be the end of it. That’s how oligarchy works. Every branch of government and major industries are corrupted. But, theirs would be a pyrrhic victory, because the court of public opinion rules all, and at least the evidence disproving the Empire’s distortions, deletions and delusions would be exposed. Good enough!

无论如何，1996 年《通信规范法案》第 230 条可能会保护维基百科免于承担责任，至少目前如此。

In any case Section 230 of the 1996 Communications Decency Act might protect Wikipedia from liability, at least for now.

**关于维基百科发布引发战争的假新闻的自由的最终决定可能取决于美国最高法院
The final decision regarding Wikipedia’s freedom to post war-inducing fake news, may rest with the US Supreme Court**

维基百科担心其志愿编辑可能因没有第 230 条而承担诉讼责任

Wikipedia Worries Its Volunteer Editors Could Be Liable to Lawsuits Without Section 230

维基媒体基金会的律师表示，即使链接到另一个页面也可能是一个问题，具体取决于最高法院对冈萨雷斯诉谷歌的裁决。

Attorneys for the Wikimedia Foundation said even linking to another page could be an issue, depending on how the Supreme Court rules on *Gonzalez v. Google*.

By Kyle Barr, February 8, 2023

<https://gizmodo.com/wikipedia-section-230-scotus-encyclopedia-1850085090>

不幸的是，2023年5月18日，最高法院“拒绝(d)处理第230条对（冈萨雷斯诉谷歌）投诉的适用，该投诉似乎几乎没有提出合理的救济主张（如果有的话）。”并“将该案发回第九巡回法院重审，以根据原告在Twitter上的决定考虑原告的投诉。”

Unfortunately, May 18, 2023, the Supreme Court “decline(d) to address the application of §230 to the (*Gonzalez v. Google*) complaint that appears to state little, if any, plausible claim for relief.” And “remanded the case to the Ninth Circuit to consider plaintiffs’ complaint in light of thier decision in Twitter.”

总之，我们可能要等到第三次世界大战之后，最高法院才能保护无辜人民和国家免受谷歌、维基百科等公司虚假信息的侵害。

In sum, we may have to wait till *after* WWII for the Supreme Court to protect innocent people and nations from corporate disinformation on Google, Wikipedia, etc.

NOTES

The “Independent” provides a venue for complaints.

They claim in their Code of Editorial Conduct

INTRODUCTION AND SCOPE

The reputation of our brands is based on the editorial independence, integrity and high journalistic standards of our output.

The rules set out here are intended to apply to all our content wherever it is published (including our apps and social media channels), unless it is stated otherwise. You must follow these rules even when they set a ‘higher bar’ than other external regulations unless you have specific approval to the contrary from a senior executive...

Offence

We do not set out to offend the general reader or viewer and you should always consider how people will respond to our material.

That is not to say that we should shy away from publication simply for fear that it might provoke a negative reaction in some quarters.

Accuracy

It is our primary endeavor to publish information that is accurate and will not mislead readers. You must take care not to distort information either by disingenuous phrasing or by omission.

We should take care to distinguish comment and opinion from fact.

If you think that material has been published that is inaccurate, you should notify your line manager and the managing editor. It may be necessary to take corrective action, but you should not generally proceed without discussion.
